21st February 2012

Dear Parent/Guardian

RE: YEAR 11 BIOLOGY EXCURSION TO THE MELBOURNE ZOO
FRIDAY 23rd MARCH 2012

As part of the requirements of the Unit 2 Biology Course, an excursion has been organised for students to attend an educational experience at the Melbourne Zoo. The excursion involves the observation of animals and is part of their Unit 2 work on Organisms.

The excursion will take place on Friday 23rd March. We will be travelling to the Zoo by train and in accordance with the College’s All-inclusive Fee Policy, this will be at no cost to the students. We will be leaving from Mentone Station at 8.31am and returning at approximately 3.00pm. On this day students are requested to be at Mentone Station to meet with their teacher no later than 8:20a.m. We cannot hold the train for late-comers and those who miss the train will be expected to carry out the work in their own time (and at their own cost). Students will need to wear casual clothing and appropriate footwear.

A further explanation of the requirements will be provided to your son by his teacher.

As this is part of a Major Outcome in Unit 2 Biology, attendance on the day is compulsory. Please sign the Permission Form below and return it to your son’s Biology Teacher as soon as possible. (Email is best: of@stbedes.catholic.edu.au)

Yours sincerely

Mr Owen Flattery
BIOLOGY TEACHER

ST BEDE’S COLLEGE
PERMISSION FORM
Year 11 Biology Excursion to Melbourne Zoo - Friday 23rd March 2012

RSVP: Please return this Permission Slip to YOUR SON’S BIOLOGY TEACHER by: Thursday 22nd March

I give permission for my son ___________________________ of Year 11 ● _____ to attend the above excursion.

Should my son become ill or suffer an accident during the course of this activity and the teacher in charge is unable to contact me, I authorise the teacher to consent to my son receiving such medical or surgical treatment as a doctor may deem necessary. I will meet the expense attached to any such medical assistance.

Please state any pre-existing medical condition & medication: ______________________________________
