The boys are required to attend the three ‘Learn to Dance’ sessions in order to learn the dances for the **Social**. If a boy cannot make any of the three sessions please provide a note explaining the circumstances **before** the actual session. We ask that the students wear **school uniform** for the three learn to dance sessions.

The Social is the highlight of the program. The students wear **neat casual attire** to the Social. If jeans are worn we ask that they are matched with a collared shirt. All boys need to be collected by their parents, inside the foyer doors, at the end of the night. Please enter via the Como Parade gates. If you are unable to collect your son, please provide him with a note explaining who will be taking him home.

School rules apply on the night. We ask for your support in ensuring that there is no alcohol consumed by the boys before, during or after the social. We also ask that there are no before or after parties.

Please return the attached permission slip by **Thursday, 14th August, 2014**. Please feel free to contact me if you have any further questions about the coming events.

Yours sincerely,
