March 2018

Dear Parents and Students in Year 9, 10, 11 and 12.

BOOKINGS ARE NOW OPEN FOR THE Careers Insight Evening.

The Careers Insight Evening is on March 20th starting at 6pm to 9pm. There are 65 past St Bede's students talking about their careers and jobs including what they were like at school, why they chose the career or jobs they have been in, what courses they studied, and any other advice.

There are three timeslots to book 6pm, 7pm and 8pm. Each session runs for 45 minutes. I recommend that you and your sons book and attend a workshop in each timeslot – 3 altogether.

First, I suggest all students (and parents) read each of the [BIOGRAPHIES HERE](#). Don't let your sons second guess what they think each speaker will talk about, as each old collegian has a unique and different story to share. If they don't have any idea of a further career direction, then my suggestion is to attend sessions that may interest them, and I am sure they will come away with new ideas. Many students have commented to me that they found their career ideas from our Career Insight Evenings. We have tried to keep the speakers young to add relevancy to our students. There is a cap on some venues so please book early.

Please open [LINK HERE](#) to book.

This event is open to all students in Years 9, 10, 11 and 12 and their parents.
