## Presidents welcome

A special welcome in this edition not only to former students, but also to Brothers, teachers and staff who have previously been involved at St. Bede's College. The Old Collegians now extends its reach to Brothers, teachers and staff and encourages everyone who has an interest in the College to remain not only connected to the school but also to each other.

There are many ways to stay connected to the College. This can quite simply be reading our twice yearly bulletin or attending reunions and functions or even volunteering to speak about your career at our Careers Insight evening for the school's senior students. Our website, which can be accessed via the School's portal, provides information on our key activities. Up coming activities include the Golf day and Social dinner. Facebook and Twitter sites for the Old Collegians are now also available for communication.

In this Bulletin I am very pleased to announce that Jo Hynes has joined us as our Old Collegians Officer. We are thrilled to have Jo working for us and she takes up this role which is solely dedicated to supporting the Old Collegians and our activities. Jo is the main point of contact for all matters relating to the Old Collegians.

Jo takes over from Kevin Buckley who gave the Old Collegians great support in his dual roles for the College. Brother Michael McCabe, our Liaison Officer, has also left us for Queensland and further La Sallian duties. We wish Kevin and Brother Michael well.

I would like to thank Old Collegians who recently became McCristal members. Their support is greatly appreciated and assists the costs associated with the running of the Old Collegians. These members are recognised on our website where details are also available for anyone who has an interest in contributing to the Association.

I encourage you to contact us if you have an interest in contributing to the Old Collegians. We would particularly like to hear from you if you have interest in taking over the Association's Treasurer's role. Our Treasurer, Paul Diggerson, has dedicated his services to this position and indicated he wishes to 'pass the baton' to the next generation. We thank Paul greatly for his commitment to the Association.

I hope you enjoy this edition of the Beda Boys Bulletin.

### Founders Day

De La Salle lived some 300 years ago but the Lasallian spirit he left us is found in some 84 countries around the world. Today St Bede's College has links not only with its Australian schools but with works in Thailand, India, Pakistan and PNG.

What is the Lasallian spirit that binds us together and is at the heart of the College? If I were to simply break it down into the areas of **education** and **spirituality** the following points are offered for reflection.

#### Education:

- De La Salle "seized the moment" and responded to a need at great cost to him
- He ensured that those most in need received an education
- He introduced the simultaneous method of education which we use today in schools
- The vernacular/or language of the people is the language to be used in education and not just education through the Latin medium
- He formed a group around him of similar mind and heart

#### Spirituality:

- A great awareness of the presence of God in his life and his dependence on the providence of God
- An extensive knowledge of scripture, especially the life of Jesus as being a lived reality
- A spirituality which has immersed in the human and daily actions of the people. He was very clear that the brothers were never to be clerics but brothers to each other.
- A spirituality which has service as its cornerstone. Working together as brother/sisters

Founders Day itself was a wonderful celebration. Mass was celebrated by the whole school and this was followed by many activities which were organized by the College Leaders whose contribution was significant and excellent.

### *Hall of Fame Annual Dinner 7th May 2014*

Over 85 guests attended a night of memories and entertainment when the Old Collegians hosted its third Hall of Fame Annual Dinner at the Brighton Savoy in May.

Guests were witness to the induction of eight Old Collegians including former Lord Mayor of Melbourne Ralph Bernardi; former President of Nauru, Olympian and Commonwealth Games medallist Marcus Stephen; Dr Stanley Reid who received an OAM for his services to yachting and contributed significantly to women's health in Australia; rock band JET (band members Nic and Chris Cester and Cam Muncey); Hawthorn Premiership player and AFL star Peter Russo and humanitarian Br Bede Mackrell who was recognised for his many years of service, helping communities in Papua New Guinea.

Paul Callery shone as MC for the evening while Allan Drummond's outstanding wordsmith skills were on display as he provided insightful and often witty citations on all the inductees.

Ralph Bernardi was represented by his sons Simon and Pierre, both fondly recalling their fathers great memories of his time at St Bede's, particularly Br Finian's kindness in piggybacking their father (who suffered from Polio) across the road to the beach for his weekly swim.

Jane Reid (Dr Stan Reid's daughter) talked of her father's warm memories of the College. In his acceptance of the Induction, Peter Russo thanked the teachers and leaders who had encouraged him to pursue his dream and challenge himself. Mr Kinza Clodumar, who spoke on Marcus Stephen's behalf, also thanked St Bede's for introducing his nephew to weightlifting and ensuring the pride of Nauru was rewarded with Olympic representation and Commonwealth medal winning performances.

Br. Bede Mackrell spoke of his commitment to the people of PNG and his time spent helping the communities. In 2013, Br. Bede was awarded the "Outstanding Volunteer" for Vincent Care, a nomination by his peers for his work with St Vincent De Paul's.

It was a truly memorable night and we thank all who attended and supported this event, particularly the College for its support of this event that aims to recognise, honour and celebrate the outstanding achievements of St Bede's Old Collegians

### *What it means to belong to St Bede's College*

*Photographed here are Dr AJ Purcell, Dr Chris Reeves, Luke Cahill and Tom Senior*

In early March, we welcomed four Old Collegians back to the College to talk with the current Year 7 group about what it means to belong to the St Bede's College community. Their memories of the school and their time spent within the college were a wonderful insight into how the school has developed over the years and the very positive influence it has had on these men well into their lives after school.

We sincerely thank Dr AJ Purcell (FCPA), Dr Chris Reeves (Osteopath), Luke Cahill and Tom Senior for their time and their passionate contribution. Thank you also to the Year 7 staff for making this happen.

### *Father /Son Year 7 evening*

*Photographed here are the group who took part including fathers Roger Grech, Paul Arthur, Paul Bailey, Anthony Mullen, Russell Saunders, Brendan Kelly, Scott Benton and Martin Brett*

On a wintery evening in May, nine Year 7 sons and their Old Collegian fathers attended an evening to celebrate and explore how the College has changed since "Dad" attended. Over drinks and nibbles stories were exchanged.

The evening culminated with the request of a short paragraph from each of the fathers explaining the changes they have seen at the College since leaving and their experiences during their school years at St Bede's and their decisions to send their sons on to the College.

These pieces and photographs will be included in this years Journal.

### Reunions

#### *Class of 1994—20 years reunion*

Late in March a group of fresh faced Old Collegians gathered for their 20 year reunion. Many had not seen each other since 1994 so there was a lot to catch up on.

The new Sports Center provided the perfect venue to catch up, view many pictures from their time at St Bede's and enjoy a couple of drinks and some friendly banter.

A school tour conducted by current Principal, Br Garry was a highlight for many. The changes to the school grounds were certainly significant since many had attended the College.

Drinks and more stories followed afterwards at the Mentone Hotel where the group enjoyed dinner and many more "war stories"

*Reunions later in this year include:*

***Class of 1984; Class of 2004; Class of 1989 and Class of 1974.***

*(More information later in this Bulletin)*

*If you know anyone in these year groups, please ask them to provide up to date contact details to us at [oldcolls@stbedes.catholic.edu.au](mailto:oldcolls@stbedes.catholic.edu.au) to ensure they receive their invitations.*

The documentary's premiere was attended by Br. Finian where he met with Michael Woiwood who attended the College in the 1940's. It was his brother Kevin Woiwood who was killed in the eruption.

### *The Colossal Walk*

The adventure of a lifetime may be drawing to a close, but it is not too late to make a difference to someone who needs it!

In June of 2012, two year 12 students of St Bede's College decided to walk 22kms from Mentone train station to the Melbourne Museum in Carlton, after their media teacher Stephen Irving issued them an unofficial challenge, declaring that it could not be achieved within the estimated 5 hours. Armed with a video camera and plenty of optimism, Sean Tyssen and Patrick Collins rose to the challenge and reached their destination with 25 minutes to spare!

Fast forward 18 months and the same two young men were about to embark on a new journey, and just like any good sequel, the challenge was much greater and the stakes were much higher. A new walk was planned, dubbed "The Colossal Walk", but with a more charitable goal than proving a teacher wrong. The boys began preparations with the Lasallian Foundation in order to raise money for a school in Henamulla, Sri Lanka; which provides not only education, but also much needed nutrition for children in desperate need of care. On January 20th, 2014 Sean and Pat began the 120km journey from Flinders Street station in Melbourne, to the heart of Ballarat. In a challenge of Herculean proportions, they struggled for 4 days, without any significant training, without a support crew of any kind, and seemingly without any hope of reaching their destination. And yet on Jan 23rd, they arrived, battered and broken, but also alive and victorious. They proved that two everyday young men, known more at St Bede's for their improvised comedy show than for any sort of athletic ability, can still persist through the pain, in the knowledge that they were supporting a great cause that really does need help. And not only that, but they filmed the walk to prove it, and have been releasing episodic videos of their misadventures for the public.

So far The Colossal Walk has raised over \$4500, which is enough to run the school in Henamulla for 5 months, after generous donations from St Bede's College, Stephen Irving (the inadvertent inspiration for the walk) as well as countless others from throughout the St Bede's community and beyond. However they are still in need of help and there are plenty of fantastic ways that you can get involved, and support the cause. First and foremost there are donations, all of which go through the Lasallian Foundation to the school in Henamulla. Online donations are tax deductible, and can be made at:

<http://www.lasallianfoundation.org/ways-to-help/appeals/colossal>

However there are other ways in which you can help that don't require donations, and we urge everyone, even if you are unable to contribute money to the cause, to support these other avenues are just as important and just as appreciated. We have social media outlets that can be shared that make a huge difference to the cause. <https://www.facebook.com/TheColossalWalk>. We sincerely hope that you can in some way support the cause.

## Upcoming Events

### ***Career Insight Evening - 24th June 2014***

Over 50 Old Collegians will take part in this year's Career Insight Evening. The evening provides an excellent opportunity for former Collegians to assist present-day students in a simple, practical and time-efficient way. The Old Collegians, in conjunction with Angie Greaves, Careers and Pathways Coordinator at St Bede's, and her assistant, Jill Gamble, will present the third annual Career Insight Evening at the college on Tuesday, 24th June.

Current year 10, 11 and 12 students and their parents will attend brief information sessions with former students about numerous careers. Multiple venues are set up around the college for these sessions which involve a relaxed chat with a former Collegian volunteer about their chosen pathway. A brief talk on the pros and cons of their work is followed with questions.

Previous events have been well-attended and the feedback from students overwhelmingly positive. Whether you are a student or apprentice, just starting a job or very experienced, your input will be highly valued. If you are interested in being part of this annual event, please contact Jo Hynes at [oldcolls@stbedes.catholic.edu.au](mailto:oldcolls@stbedes.catholic.edu.au)

After primary school he went to trade school to learn the plumbing trade after which he joined his father in the same business. Together the two did all the original work for the College and Frank continued doing so until his retirement. Frank (R.I.P) was also an accomplished pianist. The College wishes to acknowledge here its gratitude to the Neylan Family for service to the College and the De La Salle Brothers of Mentone during their working years. May he Rest in Peace.

### **Mr Richard Cussen (died April, 2014)**

Richard was a former boarder who came from a dairy farm in the Iona area. He left school after Year 9 (Form 3) to continue farming and was for some years a milk distributor -until he retired to Warragul where he died from a debilitating form of arthritis at the end of April, 2014. May he Rest in Peace.

### **Mrs Judy Hayes**

Judy worked at the College as a receptionist from 1988-2004. Judy and her husband Mike (R.I.P) were both actively involved in College activities particularly while their sons Nick (1990) and Andrew (1992) attended St Bede's. May she Rest in Peace.

### **Tony Antonuccio**

Tony's grandson James currently attends St Bede's. Both his sons Sandy (1969-1974) and Cam (1973-1978) attended the College as did his other grandsons Matthew (2006-2011) and Cameron (2007-2012). May he Rest in Peace.

#### Tiny SBMT Forward reaches 200

Luke Terrell, this diminutive classic forward, gives his way into local folklore once more, as he compiles 200 classy games for St Bede's Mentone Tigers. The Terrapin, has won more hearts of the outer wing at Brindisi Street over the past decade. A three time premiership player during the 06, 07 and 08 has seen him offer his club a fine selection for the highlight reels. A fine amiable and respected person in all aspects of community and team life, he is to be congratulated for his contribution to SBMT and VAFA Competition. Well done Luke Terrell.

#### 300 Big Ones for Luke Wintle

Arguably the best player to ever pull on a St Bede's/ Mentone Tiger jumper, Luke Wintle played his 300th game for the Tigers, to become the first player to achieve this milestone since the amalgamation in 1993 of the Mentone Football Club, St Bede's Old Collegians Football Club and Mentone Junior Football Club. Comprising 267 Senior and 33 Under 19 games, the big man has the honour of never having played a Reserves game.

## Sporting Club news

We have some exciting news regarding the **Hockey Club**.

So far we are 5 rounds into the Senior season. Under the continued coaching of Old Collegian, Dylan Gillespie, the seniors are amounting to be the team to beat.

Men's 1st XI - top of the ladder with 4 wins and a bye.

Men's 2nd XI - second on the ladder also undefeated with 4 wins and a bye.

Men's 3rd XI - sixth on the ladder with 1 win, 2 losses and 2 draws. Very encouraging considering the mixture of veterans and youth in the side.

For the first time in many years, we have a women's side. Made up of sisters, girlfriends, fiancées, and the like they are flying the Beda flag very proudly under the expert tutelage of James Cracknell (Old Collegian and nephew of current staff member David Cracknell) and Ian Brady. The Women's 1st XI have achieved a fantastic result of fourth on the ladder with 3 wins (one was a forfeit by the opposition, but we won't take that away from them), 1 loss and 1 draw. We are very proud of what the coaches and the girls have achieved in such a short time considering that there are players that have never played the game before.

The other exciting news, is that we are fielding two junior sides this season; an under 16's and this year we also have an under 14's. It has been very encouraging to see so many interested kids come and take part. Also encouraging is the interest shown by our Club youth taking on such a responsibility as coaches of our squads (with care and guidance provided by Mr. Peter Cracknell). We have Huy Do, Jackson Edmonds, Michael Somerton (all Old Collegians), Findlay Rayson and Fran Rapley all sharing the load and doing a great job; we are very proud.

The junior teams are experiencing a bit of mess when it comes to their fixturing. The season is currently five games in, but there are many byes.

The under 14's are currently third on their ladder with 2 wins and 1 loss.

The under 16's are second on their ladder 2 wins and 2 draws.

All in all we are very happy with the performances so far both on and off the field and we are eternally grateful to all those that put up their hand to help the Club along in any way they can. Included in this group is the College, in providing a training venue for our junior side and also providing access to other facilities as the need arises.

Bring on the finals!

## Season 2103-2014

Without a home ground for our first eleven this season due to refurbishment of Walter Galt Reserve, the club struggled playing all games away and finishing the season 3 wins and a draw from the 12 games. Mick O'Shea (former St. Bedes Student) had a very good season with 26 wickets and winning the first's bowling average the captain's award and the prestigious Brian Hunt Best Clubman award.

This season we had the pleasure of import Tim Maxwell from England and Tim showed his worth as a batsman and bowler winning the batting average and making over 400 runs and the club champion as well as the Cricketer of the Year. Jamie Parton who ended up being the captain of the seconds, won the batting and bowling awards in that grade. Other players to perform included Tony White with a 94 during the year and Ash Wood 277 runs and 18 dismissals behind the stumps.

The juniors fared a lot better during the season with our under 18s, 16s and Hatch Team all making the Semi-finals before narrowly missing the chance to proceed to the Grand Finals. Congratulations must go to Nivin Sathyajith who won the Junior Club Champion as well as the batting and bowling averages in the fourth Eleven and under 14s.

## Wintle in control

The club has started planning for next season and after the departure of last season's coach Craig Entwistle, the club has appointed Luke Wintle as the new Captain Coach. Luke originally played juniors with the club and rose through the ranks, playing nearly 100 1st XI games and scoring over 3,000 runs. He also has had stints at Premier Cricket with Melbourne and Frankston Peninsula. He has also had a decorated football career with St Bedes Mentone Tigers, playing 300+ games and winning numerous individual awards. The club sees Luke's leadership and ability to mentor the young playing group as fundamental to future success for the club.

The club also advises that Rohan Best has been appointed assistant coach. Rohan has been at Kingston Saints for the past 2 years, where his ability, tactical nous for the game and ability to develop the younger players has seen him win the respect of the club in this short time. Rohan has previously played for Northcote in Premier Cricket and Plenty Valley in the VSDCA.

## Social

The club recently held its 28<sup>th</sup> Guest Speaker Function with South African Great Barry Richards as speaker at a lunch for about 70 guests. Barry spoke of his friendships with Sir Don Bradman and Hansie Cronje as well as his times playing for South Africa and South Australia. The club is looking to have another Guest Speaker luncheon in October.

If you are interested in being invited to these functions please contact Greg McLeod (0416 065 907) or email [kingstonsaints@club.cricketvictoria.com.au](mailto:kingstonsaints@club.cricketvictoria.com.au), and you will be included on our distribution list for future functions. The list of guest speakers and venues can be found at our web site <http://kingstonsaints.vic.cricket.com.au/content.aspx?file=2261|32459s>

## Ground Upgrade

Walter Galt Reserve (opposite St. John Vianneys School) in Parkdale has been redeveloped over the last 12 months. The Club is hopeful of seeing progress in order to have the new grass and centre square ready for season 2014-15. This expensive overhaul was well overdue, and when complete will mean that the Club will belong to one of the best facilities in the area, on and off the field, which is worthy of playing in the highest grade of cricket in the area.

## Finian Foundation

Brother Finian wishes to express special thanks to all those who have donated to the Foundation over the past year. The generosity of donors allows for the alleviation of financial difficulties of a few families who experience difficulty in meeting the expenses arising from payment for school fees, books, and uniforms for their sons attending St Bede's College. Parents of such students who have been helped in this way have expressed thanks to the St Bede's Old Collegians Association for their kindness and generosity. Special thanks also to Treasurer, Mr Paul Diggerson who manages the funds of the Foundation.

The Foundation has been established by the SBOCA to help foster the Lasallian tradition of recognising that quality education should be available to all.

In recognition of a person who has dedicated his life to this tradition, with over 50 years of those spent at St Bede's, it was deemed most appropriate to name the foundation the Finian Foundation after Brother Finian Allman.

The Finian Foundation Ltd has been established as a charitable foundation and is able to receive tax-deductible donations and bequests to create an income stream that will be used to provide assistance to financially disadvantaged families to support their children's education at St Bede's. Over the past 3 years we have supported 12 families. All donations are fully tax deductible.
