Beda Boys Bulletin

Presidents Welcome

Welcome to the mid-year edition of the Beda Boys Bulletin, and may I begin by introducing myself as the newly elected President of SBOCA. My name is Jason Smythe and I am a Beda Boy from the Class of 1979, which coincidentally was the same Class as our departing President Steve Ager.

After graduating from St Bede's I studied Science at Monash University, obtained a PhD from the University of Melbourne, and travelled with my wife Anne to undertake postdoctoral studies at the National Institutes of Health in Maryland USA. We then returned to Australia and I have work for the last 25 years in a variety of positions in the biotechnology industry in Sydney and Melbourne.

We have been back in Mentone with our two lovely daughters (both of who are proud Kilbreda girls) for the past 10 years during which time I have been involved in the SBOCA Careers Evenings and as an Association Committee Member, both immensely rewarding experiences that I can highly recommend to anyone who may be interested in the future.

I do have some very big shoes to fill in assuming the Presidency from Steve Ager, and I am truly thankful that he has agreed to *(continue overleaf)*

Presidents Welcome (cont.)

continue to serve on the Committee during the transition. I am equally indebted to Tony Quint (SBOCA Vice President) and the current Committee members for their support and confidence.

That said, it would be remiss not to take this opportunity to sincerely acknowledge and thank Steve for his selfless commitment to the philosophy and mission of the Association over many, many years. His passion, dedication and initiative have contributed immensely to the growth of a very vibrant Old Colls community and we all owe Steve a significant debt of gratitude. I'm sure I speak for all Old Collegians when I say a heartfelt thank you, and acknowledge that Steve's contribution has truly exemplified the La Sallian spirit.

In the brief time I have been President it has been my pleasure to attend two events, the Class of 2016 first-year reunion at the College in April, and the initial St Bede's 'Young' Collegians "Uni Coffee Catch Up" that was held at Monash University in May. Both events were well attended by enthusiastic Beda Boy graduates, and no doubt enjoyed by all.

The Uni Coffee Catch Up was a new initiative conceived by the SBOCA Committee to help facilitate ongoing contact and

networking of recently graduating Beda Boys and the first trial run at Monash University was an absolute success (additional details later in this Bulletin). Many, many thanks must go to Jo Hynes who organised and coordinated the entire event.

In closing, always remember that SBOCA is your Association and I strongly encourage you to keep in touch and get involved in as many activities as you can. I am always available to hear your thoughts and comments on how the Association can better support the College and all the Old Collegians, and I sincerely look forward to working with, and for you as President.

Jason Smythe

A word from the Principal

Old Collegians University Coffee Morning

Recently the first gathering of Old Collegians attending Monash University Clayton Campus was held. Over a two hour period, some 17 past students presently studying at Monash gathered together for coffee and a chat. It was a positive gathering. There are plans to hold regular gatherings of St Bede's College ex-students at other tertiary campuses throughout the year. This was a great initiative by Jo Hynes our Old Collegians Officer who work closely with Nigel Abello a former Vice Captain of the College.

Outreach Program

The Outreach Program for 2017 are well planned with the first group of Year 11 students heading to Thailand in the June/July holiday break. A second group will go in September and the Year 12 students will travel to India in December. The Outreach Program are an important element of the College Lasallian spirit. The monies raised through Mission Action Day activities are used for the Outreach Program. In Thailand the groups will build a much needed sleeping/study facility for the Bamboo school students. This year Mission Action Day activities raised close to \$96,000 dollars. Can I take this opportunity to thank all Old Collegians and the St Bede's/Mentone Tigers for your generous support which was appreciated by the College administration.

Founder's Day Celebrations

Last week the College community celebrated Founders' Day and the feast of St Bede. The College assembled for a celebration of mass with Fr Michael from St Patrick's Mentone parish. The prayers of the faithful were prayed in the many different languages which are now an important part of the College community. Student efforts for Mission Action Day were recognized at this event. Towards the end of the week the feast of St Bede was recognized within the College community. St Bede was a great scholar who translated the Bible and contributed much to education at his time.

MISSION ACTION DAY

Each year the College raises funds through Mission Action Day activities to fund our Outreach Programs.

The contribution of the College community is vital to the success of this program. In 2016 an Old Collegian, Patrick Donnellan, participated in the Outreach Program.

Class Reunions

Reunions are held every year to celebrate times past. Celebrations are held for the 1 Year, 10 Year, 20 Year, 30 Year, 40 Year and 50+ Year Class Anniversaries.

These events are traditionally held on a Friday evening through the year and hosted by the SBOCA and the College Principal.

The event begins with a warm welcome, drinks and canapés. Wood fired pizzas are served before a College tour commences. From here attendees drift off to the RSL over the road for further merriment!

The 50 plus reunion is held at lunchtime at a venue off site however a tour of the College is offered prior to the luncheon.

All Old Collegians are welcomed at the reunions.

Reunions provide a wonderful opportunity to reconnect with old friends, establish new relationships and networks and see how the College has changed.

We strongly encourage you to attend your milestone reunion

Recent events

CLASS OF 2007

In March we welcomed back the Class of 2007 for their 10 year reunion. Another very well supported event with over 40 past students in attendance. Some had travelled from far and wide to attend and there was plenty to talk about although a few mentioned it only felt “like yesterday that I was here”!

With a couple of past teachers in attendance – one now on staff – students relished in the opportunity to share their success stories!

Recent Events

CLASS OF 2016

For most of these students it was practically only “yesterday I left”. The First Year reunion gives past students an opportunity to return to the College as our newest Old Collegians. It was wonderful to see so many teachers in attendance and the delight for most of the students was also obvious.

Students were keen to discuss what life had offered in the few months since leaving the College and Br Garry reaffirmed the College’s wishes that the past students are “ always welcome at St Bede’s College”.

University Coffee Mornings

Following the success of our recent coffee morning trialed at Monash University Clayton Campus, this initiative will be rolled out to other Tertiary education facilities across Melbourne where St Bede's College past students attend.

The Uni coffee morning provides an opportunity for Young St Bede's Collegians to meet up with others on their campus. This could lead to networking, information sharing, new friendships and mentoring.

The aim is to keep these catch up's informal and provide a link to other St Bede's College students studying on campus via closed Facebook groups.

Stay tuned to when the Old Collegians will come to your campus— the first coffees are on us!

Recent events

University Coffee Morning

Monash University Clayton Campus was the first to host our Young Collegians coffee morning. Past students who currently attend Monash Clayton were invited to a casual drop by and chat over a coffee.

Throughout the two hours on campus, students dropped by and enjoyed some tasty treats

and a free coffee while connecting with other past St Bede's students and sharing information about their courses and how they have settled into life at University.

We are grateful to Nigel Abello for his leadership in encouraging others to attend and his support in setting up the Monash Uni Facebook group.

Recent Events

On Thursday 1 June we welcomed over 80 guests to our St Bede's College Old Collegians Cricket Hall of Champions. Eleven Old Collegians were inducted into the Cricket Hall of Champions as recognition of their success on the cricket field. It was wonderful night with great insight into each player provided by Peter Wintle as MC and Peter Knuppel who provide the witty and accurate citations for each player.

Our current College Captains made great work of presenting the Inductees with their trophies and Peter Wintle's light banter and interview skills ensured the audience were entertained with on and off field cricketing anecdotes!

We congratulate the following Inductees: Shaun Graf, Chris Pringle, Adrian Jones, Brad Hodge, Chris Street, James Miller, Jon Holland, Cameron Hockett, Tom Donnell, Brett Forsyth, Scott Boland and Clive Rose

The event was best summed up by Paul Forsyth, Brett's father "....For mine the evening was a glorious celebration of the St Bede's community. We were kept enthralled by the eloquence and knowledge of "Wally" Wintle and the amazing men (young and old) who were duly acknowledged during the evening. What struck me was the overt humility, good humour, appreciation and gratitude of every recipient. I made the comment to our friends close to the end of the evening that what impressed me most was the character of those acknowledged before one became spell bound by their exceptional individual and collective achievements..."

McCristal MAD male role model breakfast

Over 300 fathers, uncles, friends of the College and students attended the McCristal breakfast to raise money for MAD day.

Bulldogs coach and Old Collegian Luke Beveridge spoke of the significant role models in his life. Students asked questions about his time at St Bede's College and Luke spoke frankly about those who have helped to shape the person he is today.

An enjoyable morning and over \$5,000 raised for MAD.

Founders Day 2017

A significant date in the College calendar is celebrated on 19 May with a Founders Day Mass and celebration.

The Resource Centre created an eye-catching display highlighting life at the College since its inception with past trophies, sports uniforms, photographs and other memorabilia.

This display provided an opportunity for current students to gain a visual insight into the history of the College.

Brad Rowswell

Brad Rowswell (Class of 2004) gained pre-selection as a Liberal Party candidate for the State seat of Sandringham in the November 2018 Victorian Election. The current local MP, Murray Thompson, has represented the Liberal Party since 1992. With Murray's retirement prior to the next election, Brad is hoping to replace him.

Brad has strong St Bede's College connection (College Vice-Captain 2003, Lasallian Student of the Year 2003, College Youth Minister 2004 and SBOCA committee member and secretary); was born at Sandy hospital and has lived in the area all his life.

In Brad's words; "It's a real thrill - and privilege - to seek election to the Victorian parliament representing the area where St Bede's College is located. It's the largest school in the Sandringham electorate."

Hugh Barrow

In April Old Colleague Hugh Barrow (Class of 2015) was awarded the AFL Sportsready Trainee of the Year.

This was one of only two awards on the night from over 280 trainees. This award is in addition to the previously won Chisholm Trainee of the Year.

There were around 400 people present at the ceremony and it was a wonderful occasion.

Kieran O'Callaghan

"It's better to wear out that rust out" . That's the philosophy of Old Collegian Kieran (Kerry) O'Callaghan (Class of 1965) who says it would take a substantial injury to make him hang up his boots after a lifetime of dedication both on and off the AFL field.

Kerry has been a member of the Gold Coast masters league since its inception and now plays in the over 45 age group which is a standard, full contact version of the game.

Kerry says training and playing with his younger teammates helps him to "think younger" in daily life. He has been heavily involved with a number of businesses and volunteer groups, which prevented his mind from "dictating to me that my time is up"!

Dr Peter Hughes MBBS (Hons), FRACP PhD

Peter graduated from St Bede's College in 1990, being awarded the Prize for Physics in that same year. Peter qualified from Monash University and undertook his advanced training at the Royal Melbourne Hospital and Austin Hospital. He was awarded an NHMRC scholarship to perform a PhD at the Walter and Eliza Hall Institute.

He has been a consultant Nephrologist at the Royal Melbourne Hospital since 2008 and has been the Physician in charge of renal transplantation since 2012. His research interests include transplanting across immunological barriers, thrombotic microangiopathy and complement mediated disease.

Br Michael Lynch

Former Old Collegian and Hall of Fame inductee Br Michael Lynch (Class of 1957) is the Director of Salesian Missions Australia based in Melbourne. He is pictured above giving Pope Francis a copy of the 2017 Australian Salesian Calendar and Missions Newsletter.

Br Michael participated in meeting of the Salesian Mission Offices in Rome in mid-January 2017. The aim of the gathering was to study deeply the emerging themes of mission, to share ideas and best practices and to reflect together in the face of common challenges. He found the conference “stimulating and inspiring and was “honoured to be invited to Pope Francis’ early morning Mass”.

Nic Cester, Cam Muncey, Chris Cester

Jet played with International Rock legend, Bruce Springsteen during his Melbourne, Hanging Rock and Hunter Valley concerts earlier this year.

has been a few years since Jet performed but reviews stated they “were far, far from rusty”. In an interview with Fairfax media Chris Cester said there was some new music and “everyone’s having a really good time and that’s really the bubble we are living in.

A recent fundraising effort by St Macartan's Parish in Mornington saw over \$12,000 raised for Solidarity with South Sudan.

Sam Kenny (Class of 1987) and Joe Kenny (Class of 1991)

Both Sam and Joe are thrilled to be back the St Bede's College , this time as fathers to their Year 7 sons.

Memories from the Sam and Joe:

"It has been very exciting to see Ben and Hamish start their journey at St Bede's so enthusiastically. The school has not changed much from the Beach Rd side and the Main Hall is very similar to how it was in the 90s. When Luke Green (he taught Joe) walked out to present on the orientation day we were concerned that the school may not have changed at all!

To our relief the presentation and tour that followed highlighted the important innovations in programing and new teaching and learning spaces that has been implemented over the years while maintaining strong, important links to the past.

We are both delighted that our Boys will have the same guiding principles and experiences we enjoyed throughout our Schooling. We often talk about our great experiences during our time at School, camps, friendships and teachers.

Each year we maintain the link to the past when we enjoy an annual golf trip with St Bede's Classmates. This trip is now into its 30th year."

Where are they now ?

Shaun Healy (Class of 1998).

After six years of teaching at St Bede's College, Mentone, Shaun has now taken up a position with Catholic Education Melbourne as a Learning Consultant for Religious Education for the Southern and Eastern region of the Archdiocese.

Denis Bourke (Class of 1969)

Denis graduated in 1969 and began a teaching career before leaving for the United States where he completed post-graduate studies in Political Science and the Environment.

Upon returning to Melbourne, he and his young family settled back in Mentone where Denis established a consulting practice in the area of leadership and management development. He worked in a range of public and private sector roles and completed his doctorate part-time while his family continued to grow. In the late '90s, his work took him to Sydney where he continued to work with public and private sector organisations in Australia, the Asia Pacific, the US and Europe.

Denis has recently finished that phase of his working life and took a 'time-out' to complete a long-held bucket-list wish, to walk the Camino in Spain. His pilgrimage took him from St Jean Pied de Port in south-west France, over the Pyrenees, and across northern Spain where he arrived 800kms later in Santiago de Compostela. Given the number of Australians that he met along the way, he is sure that a number of old boys might also have completed the Camino and he would recommend the experience to anyone who might have some time on their hands and who might be looking for a similar physical and spiritual challenge.

Andrew and Peter Rizzi (Class of 2009)

Andrew and Peter are owners of Rizzi Electrical. Based in Dingley Village, Rizzi Electrical are electrical contractors who provide quality domestic and commercial work throughout Melbourne.

Sporting Club News

The 2017 is well under way with all 4 men's sides, 1 women's side and 3 junior sides at least 5 rounds into the season.

This has been the largest pool of teams St. Bede's have entered in many years, with a great recruitment over the Summer (many returning Old Colls now playing with their sons in the men's fourth XI).

The men's first XI are precariously sitting equal second with two other teams after 6 games in the home and away season. They have 3 wins, 1 loss, 1 draw and 1 bye.

The men's second XI are struggling to find some consistent form and are sitting sixth with 2 wins, 3 losses and 1 bye. The encouraging outcome though is the St. Bede's youth breaking into the Senior teams.

The men's third XI are unfortunately sitting eighth out of eight with only 1 win and 5 losses, but again showing encouraging signs with a mix of both youth and experience coming through.

Our newest team in the stable is the men's fourth XI and they are placed sixth with 1 win, 3 losses and 2 draws. This team is made up with a few Old Collegians returning to hockey after a few years' absence and also a few father/son combinations which is fantastic for the club.

The rose among the thorns is our women's team and they are currently in fourth place with 1 win, 2 losses and 3 draws. This side is also showing a state of flux where 3 players from 2016 are on temporary leave either recently given birth or about to; congratulations to you all.

Next are our equal pride and joy teams; our juniors.

Our under 16 team is sitting second with 4 straight wins and 1 bye. An amazing statistic for this team so far is that they have only conceded 3 goals in their 4 games.

We have two under 14 teams that are playing in the same competition. So St. Bede's RED are sitting fourth with 2 wins and 3 losses just ahead of St. Bede's BLUE in fifth position with 1 win, 2 losses, 1 draw and 1 bye.

For all the latest news on the St Bede's Mentone Tigers, please visit their website:

Whilst none of the Premier sides made finals this year, the two sides whose home grounds are at St Bede's College both made their way into the Grand Finals of their competitions - with the 5th XI winning theirs against Mentone, and the 6th XI coming second to Old Mentonians.

On 7 April at the Walter Galt Reserve the Club celebrated the season by having their Hall of Fame and Senior Presentation Night. The social rooms were decorated perfectly to match the occasion as a hundred players, members and their families watched the Club's Captain and Coach James Miller take home the coveted Harry Boyle Trophy for the Club Champion, The Bob Cowper Medal for the cricketer of the year as well as the John Smith award as the bowling average winner in the premier grade.

John Hand, who as well as other duties in the club was the second XI team manager, won the Brian Hunt Best Clubman award while First Year Player Shorye Chopra won the Frank Laver Medal and the Stephen King-Gerard Robertson Medal for the best Under 21 player.

Three long term members were inducted into the Hall of Fame - Craig Reece (scorer), Brian Hunt (Former player, Curator and Cleaning) and Greg McLeod (Former Player and Administrator). A list of Hall of Fame members and Harry Boyle trophy winners can be found under the History tab on the club's website.

More recently the club's rooms at the Walter Galt Reserve hosted the St Bede's Old Collegian's Cricket Hall of Fame where 11 Old Collegians were inducted.

From Richard's son Greg " *he lived very much the St Bede's Community, having been an inaugural student of the day of opening of the College in 1938. His time at St Bede's was cut short due to his father, Leo, becoming a long term patient at Heidelberg Military Hospital. At this time, Richard was the eldest child of five so was sent off to work at 15 to help put food on the table.*" All five of Dick's sons enjoyed the benefits of a St Bede's College education as well. John Filippo (Class of 1978)

Entered eternal life 25 January 2017. Suddenly at the Alfred Hospital in Melbourne.

John was College Captain of the Borders in 1978

A memory from John Keyte attended St Bede's College 1938-1941

I was saddened by the death of Br Finian. A De La Salle Brother I greatly respected. His ability to meet and make welcome all old boys and to remember names was truly amazing. My time at De La Salle Malvern in 1937 and then as one of the new boarders at Mentone in 1938 with my brother Frank was a challenging experience for a twelve year old from Bairnsdale. A new school with none of the modern comforts enjoyed by our modern day students, but the beach was just over the road and that was a bonus.

Now aged 90 I almost feel like the last man standing...My education and experience at St Bede's College has enabled me to have a good life and a satisfying career and I know that the spirituality and temporal values will continue to be passed on to future generations, keeping our nation Christian.

The Finian Foundation

The Finian Foundation has been established by the SBOCA to help foster the Lasallian tradition of recognising that quality education should be available to all.

In recognition of a person who has dedicated his life to this tradition, with over 50 years of those spent at St Bede's College, it was deemed most appropriate to name the foundation the Finian Foundation after Br Finian Allman.

The Finian Foundation Ltd has been established as a charitable foundation and is able to receive tax-deductible donations and bequests to create an income stream that will be used to provide assistance to financially disadvantaged families to support their children's education at St Bede's College.

All donations are fully tax deductible.

The generosity of donors allows for the alleviation of financial difficulties of a few families who experience difficulty in meeting the expenses arising from payment for school fees, books, and uniforms for their sons attending St Bede's College. Parents of such students who have been helped in this way have expressed thanks to the St Bede's Old Collegians Association for their kindness and generosity.

No matter how large or small, your gift will make a difference to current and future Beda Boys.
