

Using the new St Bede's College App

For Android & Apple

April 2018

App Installation

The information in this guide relates to mobile devices only.

Simply head over to the St Bede's College website and tap the blue 'School App' menu item. This will reveal multiple options, tap either the Play Store for Android phones or the App Store for Apple devices. This will take you to the relevant location to install the App.

Alternatively, open either the Play Store or App Store and search for 'St Bede's College' and download the app.

We ask that you accept the permissions listed to enhance your app experience.

Main Screen

Upon opening the app, you will be greeted by the Main Screen. From here, you can quickly navigate to the most frequently used areas of the app.
