Regular Trading These are our usual trading hours, where we serve people in order of their arrival. We are open:

Monday & Thursday afternoons **1.15pm – 5.30pm**
 The First Saturday morning of every month..... **9am – 12pm**

Open Session Open for extra trading during expected busy times of the year to avoid waiting periods. We serve people in order of their arrival. We are usually busiest at our opening time, because many people are hoping to be the first served.

Bookings Only An appointment is **necessary** for these days and made via the St Bede's College Website. It is a great way to avoid waiting. If you don't have an appointment come in during Normal Trading hours or Open Sessions.
