# CHAIR REPORT

**In 2018 we mark the eightieth year of St. Bede's providing Catholic education to boys in the Lasallian spirit. These 80 years have seen remarkable change, also matched by stability: We've experienced changes in society, population, culture and technology, but have also seen stability through our strong family and community support. St. Bede's has changed markedly over that time, but also retained the strong sense and commitment to delivering high-quality Catholic and Lasallian education to our young men and helping to equip them to contribute to the wider world when they leave.**

On behalf of the College Board, I'd like to reflect on a few key points that are topical to our school in 2018. Firstly, I wish to express sincere appreciation to our new Principal, Mr. John Finn, as he completes his first year here at St. Bede's. As our first lay Principal, John has brought a progressive and global approach to St. Bede's across the teaching and learning; student wellbeing and development; and College administration areas. In doing so, he has also brought a strong focus and reverence to the values of St. John Baptist De La Salle and the legacy of the Brothers who contributed so strongly to the development of St. Bede's in years gone by. John recently led the process to revise our College Vision and Mission statements, through a very collaborative process – this process generated a tremendous amount of goodwill as we developed the words that define our mission as St. Bede's College.

Secondly, the Board, supported strongly by John and the College staff, has reaffirmed its ongoing commitment to ensuring St. Bede's is a child safe school. In the wake of the Royal Commission into institutional responses to child abuse, St. Bede's has implemented the recommendations relating to improved child safety and reporting.

This year has also marked the transition of school governance from the De La Salle Trustees (the Brothers) to the Lasallian Mission Council (LMC). LMC is a fully-constituted skills-based Board that will provide oversight to St. Bede's and the other Lasallian schools. St. Bede's will remain an incorporated non-profit organisation, now reporting to the LMC.

From a facilities perspective, we recently opened the final

stage of the ICT and Technology Centre, completing the latest building phase of our masterplan. We are now developing a refreshed masterplan as part of our 2019-2023 Strategic Plan. Supporting our ability to deliver quality education with top-class facilities is our aim. In these times of government funding uncertainty, we acknowledge the efforts of our business manager – Dominic Langdon and his finance team, plus the Finance Committee, for delivering a strong and sustainable financial situation that enables us to invest in the right things for our students.

Within the College Board, this year also marked a period of transition, with the farewell of three directors and the welcoming of four new directors. We express our sincere thanks and best wishes to Deborah Mullan, who has been a Board member since 2007; to Julianne Miller, who has served on the Board since 2014; and also to Greg McKillop, having served since 2015. They have made outstanding contributions to the life of St. Bede's through their ideas, innovations, dedication and hard work.

Joining the board as directors this year are Mr Geoff Worrell, Ms Carol Benton, Mr Sal Algeri and Mr Simon Libbis. Their expertise and enthusiasm will add much to our board as we oversee the continued development of the College. A great feature of our previous and current Board composition is that it includes representatives who are current parents of students, parents of past students, and old collegians, providing a really strong skills mix. Our continuing directors are Greg Adkins, Marg Burge, Br. Chris Gorringe, Stephen Gallagher, Andrew McLoughney and Russell Saunders. The Board is also supported by Board committees and I acknowledge the strong efforts of all current and new committee members in contributing to our school.

St Bede's ongoing success over many years has been a credit to the commitment of our Principal, the Brothers, teachers, staff, parents, friends and Old Collegians, working to deliver a quality Lasallian education to our young men. As we farewell 2018, the Board wishes to commend John and the entire school community for a most successful year.

**ANTHONY BRINKLEY**

# PRINCIPAL'S REPORT

**As this is my first year at St Bede's College, I acknowledge the wonderful work of the Lasallian Principals who have preceded me. They, and many like-minded staff, dedicated their efforts to ensuring that the College was always reflective of the motto, *Per Vias Rectas*. This powerful image offers a sense of strength of character. Thus, our boys are encouraged to live the type of life that will model the tenets of a Lasallian education through *Faith, Service and Community*. We all have the great honour of being able to enrich our Catholic ethos through the Lasallian charism by using the story of St John Baptist de la Salle and the thousands of people from the past three centuries who have taken up the call.**

I am aware of the responsibility that comes from being the first lay head of the College and will work fastidiously to ensure that the character of the school is never compromised. I experienced my commissioning as Principal early in the year. As a community we pledged to preserve the distinct heritage we have been entrusted with and to foster it for future generations, working in respectful partnership with the Order. My sincere hope is that our students are experiencing that sense of community through relationship and that they always feel happy to be themselves at school.

When I think of St John Baptist de la Salle I am reminded of a practical, intelligent man who served the needs of young people in their own context. We are called to do no less today. Whilst traditions should be preserved, we also keep a watchful eye on the future to prepare our young men for the world they are to enter.

The staff, students and Board of the College have taken a careful look at the many written statements around our Mission and Vision as a College. Our re-worded Mission and Vision Statements try to succinctly describe the reason for our being and acts as a moral compass in future decision making. These will be officially launched at the beginning of next year but are now, effectively, in place.

I had the opportunity to meet with all of our Year 12 students at the 9 Retreats held throughout first term. The boys have a genuine affection for their school. They also have such wonderfully different aspirations for life beyond St Bede's. Importantly, they are a credit to their families. For many, the relationship they have with their friends is central to their own wellbeing and ensures a very important connection to the College. They have been young men of service. I have been grateful for the way in

# PRINCIPAL'S REPORT

which our senior boys have shown their support for me in my inaugural year; I have certainly appreciated their open dialogue, candour and good humour and wish them well in their future endeavours.

Our students and staff have been exposed to many meaningful and relevant liturgies and retreats across the year levels. We all know that spirituality is a personal experience and that young men need opportunity for reflection. Like many retreats you need to live the experience rather than try to describe it to others. These retreats have shown that there is a willingness for young men to share their personal journeys and to be willingly open to listening to the word of God in all its varied and wonderful forms. These students understand that relationships form the first pathway to God.

I have been pleased to meet a number of our parents throughout the year. Your support and encouragement of the works of the College are never taken for granted. The College is absolutely focused on the academic needs of our boys and places considerable time and resourcing into the development within and between year levels. We

want to foster a culture of study that leads to individual success for boys in the broadest sense. *Success is in matching our talents against how we perform ourselves and knowing that we gave an honest effort.* We are proud of the approach of the boys this year and hope that the end of year results and reports are reflective of such efforts.

Our boys have performed admirably in many areas this year. The play, *Moonlight and Magnolias*, and *Grease, The Musical*, were professionally produced and gave audiences both entertainment and insight. The Visual Arts and Technology Show was outstanding, showing that there are a multitude of ways that young men can display their talents across that wide field. On the sporting field we competed well across all year levels within the ACC competition. There were numerous successes (as listed later in this Yearbook).

St Bede's staff are to be commended on their collective endeavours over the year. So much of what happens pastorally often goes unseen by the many because the boys confide in, and rely on, their teachers in ways beyond the academic program. Our

first priority is to teach well and in this process we realise that for a boy to learn he needs to be happy, feel appropriately challenged and be in a supportive environment. I thank the staff, both teaching and non-teaching, who work so diligently in that regard.

I would like to extend a sincere thank you to Br David Hawke and the Lasallian Mission Council and the Mentone Brothers Community for their generous welcome to me and for their wise counsel. Likewise my thanks are extended to the College Board for the confidence they have shown me (and in particular Board Chair, Mr Anthony Brinkley) and the Principal's Leadership Team for their counsel and willing spirit.

I wish to recognise the leadership shown by our College Captains, in James Hickey, Julian Taylor and Darcy Tilbrook as well as the student leadership team. They have epitomised the tenet of servant leadership in their dealings with our Community.

I look forward to the challenges that lie ahead in 2019 and beyond.

ST BEDE'S  
COLLEGE

# PRODUCTION – GREASE

## Director's Notes:

Forty years after its original release, *Grease* continues to light up the stage. The St Bede's College production, in collaboration with Kilbreda College and Mentone Girls' Grammar School, was a huge success with five sold out shows, which appealed to a broad range of ages and recruited new fans who had never seen the film or stage production.

It was an absolute pleasure to work with the dedicated cast and crew who brought the energy and vivacity of *Grease* to life on our stage. They all worked tirelessly to deliver a fantastic show and I was extremely

proud of their achievements. The commitment of their families was paramount to the success of the show and I thank them all for their support.

A large production such as *Grease* would not have been staged without the collaborative efforts of the dedicated and hardworking people behind the scenes. In particular, Carolyn Sutherland for her brilliant choreography; Stephen Irving as our able producer and voice of reason, not to mention his sourcing of that amazing car 'Greased Lightning'; Lucas Carlson for his fantastic work on the audio visual designs and

Laura Matthews and Bernadette Joseph (Kilbreda College) who coordinated the hundreds of gorgeous costumes. Obviously, a successful musical is not possible without the talent of the musicians and singers. Special thanks to Lucinda Franco, our singing director, and Rhonda Vaughan, Musical Director, and her fabulous musicians. There were over 100 people involved and I thank each and every one of them for making *Grease, the Musical* a show to remember.

**Loreta Murphy**  
Director

# STUDENT ACHIEVEMENTS

Jeremy Mann and Dillon Bulman (Year 11) won the District Governor's Award at the Model United Nations Assembly (MUNA) event in the Victorian Parliament's Legislative Assembly. Our students represented the country of Pakistan and competed against 37 other teams from around Victoria to achieve the distinction.

Hudson Craig of 7.2 represented St Bede's College Friday 16 February at the Interschool Equestrian Show-jumping at Hillcrest College. Hudson competed in the Intermediate Level (95-105cm) and placed 2nd in the Grand Prix round and was Reserve Champion overall on the day.

Josh Heather won Gold at the National Elite U19 Track Championships, Brisbane.

Will Hoey in 8.8 was selected to play in the U17 Australian Roller Hockey team at the upcoming trans-Tasman competition in Gympie.

Year 8 Liam Higgins and Year 9 James Donlon both competed for the first time in the Rostrum Public Speaking Competition at Mount Scopus Memorial College, Burwood.

Jeremy Mann and Daniel Passante (Year 11) competed in the VCAA PESA Public Speaking Competition on Monday at St Leonard's College. Jeremy spoke about Donald Trump's successes as the US President, despite many obvious flaws and Daniel spoke about the need for change in the Victorian public health system. Jeremy won this event – beating 9 other students.

Nate Dear will be representing Victoria & St Bede's College in the SSV15 National Championships held in Adelaide.

Congratulations to Elijah McEvoy who competed in the Legacy Public Speaking Preliminary Final on Thursday September 13th.

Callum Evans competed in the Gymnastic Championships in both individual and team events.

He had a very successful meet, including fourth overall in Individual 15-18 yrs Trampoline: 4th Overall – out of 30, 7th out of 20 in double mini-trampoline, Third in synchronised trampoline, Olympic Trials- Callum helped Australia get a spot in the next Olympics. Overall, Callum came 3rd for 15-16 yrs olds.

Team Event – As 1 of the Top 4 best athletes from each state, Callum represented Victoria and placed second in both trampoline and double min-trampoline.

Marcus Windhager was selected as Captain of the Victorian Metro Under 16 Basketball team that played in the National Junior Championships on the Sunshine Coast. The team played every day for a week and went undefeated going into the finals. They defeated Tasmania in the quarter-finals, NSW in the semi-finals, and the Victorian Country team in a tight Grand Final. Marcus is also a talented footballer, kicking seven goals in the recent Year 9 ACC Football Grand Final win.

Jeremy Mann volunteered his time to appear on the ABC Breakfast radio program with Jacinta Parsons and Sami Shah. They run a segment titled 'Fight Sami' where school students compete against Sami in a debate format. Jeremy's segment was 'Which is better? – UK or USA?'

Tom Kearns 7.7 achieved his Black belt in Karate.

Year 10 Matthew Dunne won the Year Level Golf Championships. Matthew carded a 79 in very blustery conditions at Rosedale Golf Club.

Christian Ballarin of 7.4 who received his First Dan Black Belt in Karate.

The Pierre de Coubertin Award was won by Marcus Windhager (on right) for passion and dedication to his Physical Education studies and onfield performance in several sports, particularly the ACC swimming team over a number of years. He appears alongside Olympic Academy representative Mitchell Tsiros -- another fine student with the 'Beda spirit'.

Year 11 Media students Hamish Dun and Massimo Vignali entered a Short Video in the International Youth Silent Film Festival last month and their film 'The Sound of Passion' has been shortlisted as one of the screening finalists. The festival will be at the Astor Theatre on Friday 26 October at 7:00 pm.

# COLLEGE LEADERS

## COLLEGE LEADERS?

College Leaders, from left – Darcy Tilbrook (College Vice-Captain), James Hickey (College Captain) and Julian Taylor (College Vice-Captain)

**It was a milestone in the history of St Bede's – both our 80th anniversary and first year without a Lasallian Brother as Principal. In this time of change, we as leaders thought it was essential that this new generation moved into the future, whilst remaining consistent with our rich history and identity. This Beda culture is epitomised by our five guiding principles, which were given to us by our former Principal Br Garry and have been with us since Year 7 and guided most of our work this year.**

Our Mission Action Day (MAD) campaign was highly successful and lived up to its role as our most prestigious day. It was an awesome display of comradery amongst the boys and a well-deserved break from the usual school schedule. Throughout the year, we also held other activities that mirrored that same sense of social justice; including RUOK? Day, Vinnies Winter Sleep Out and Casual Clothes Day, and our weekly fundraiser at the canteen, MAD Fridays, which would not have been possible without Lindy and her amazing team.

The fierce House competitions were always intense, with all four Houses giving their all in pursuit of the Beda Shield. In a shock to everyone, Solomon took an early lead with a strong win in the Senior Athletics and Swimming. This made the Arts competitions crucial for the other Houses. However, Solomon once again produced by winning 1st place over Benilde in Debating. Disappointed by the loss, Benilde made the Auditorium their stomping ground. They won the next three competitions, Drama, Short Film and Music, to claim dominance once again. Too busy celebrating

last year's win, McCristal forgot to actually participate and took out most of the wooden spoons. La Salle won all the awards this year for being the most average House with only a couple of wins in Public Speaking and Visual Art. All in all, it was great to see the boys participate and put their efforts into what always turns out to be a great competition.

After a rich 80 year history with De La Salle Brothers at the helm, St Bede's took a major step, appointing our first ever lay Principal. As leaders we can guarantee that the St Bede's is in safe hands with John Finn, but we ought to pay homage to the faith, community and service bestowed upon us by the Brothers. Turning boys in to men whilst instilling core values of our Catholic tradition is no easy task. The Brothers have managed to do this to such a great extent, without creating animosity, through

# COLLEGE LEADERS

## COLLEGE LEADERS?

Benilde House leaders, from left – Max Vaughan, Tinashe Mpakame, Ms Melissa Lyons and Cale Love-Linay

La Salle House Leaders, from left - Trent Alphonso, Spencer O'Leary, Dawit McNeish and Mr Chris Mills

respect and tradition. We would like to especially acknowledge the work of Br Quinten O'Halloran who tutors Year 12 English and Br Tony Cummins who is one of only a few Brothers still teaching classes in an Australian school. These Brothers, along with the dozens of others who have served St Bede's, are the reason it is what it is today and for that we say thank you. To commemorate the work of the Brothers, the Class of 2018 will gift a statue to the school as an everlasting tip of the hat to these great men.

After celebrating the tradition, we must move into the future and our new Principal Mr John Finn has done an excellent job thus far. It is no small task to take on a position that has an 80 year history and make it your own, but we can say Mr Finn has done this with reverence and class. In his first year as Principal, Mr Finn has maintained a strong focus on keeping the boys

centred on their Lasallian faith, whilst also being extremely welcoming to ideas about development of a new image for the school. On behalf of all the St Bede's community, the leadership team would like to congratulate Mr Finn on a great first year, thank him for working with the Class of 2018 and wish him the best of luck for the future.

Our year would not have been such a success without the efforts of numerous members of staff, who have not only assisted our leadership agenda but also facilitated many beneficial activities and events.

In particular, we wish to thank:

- Andrew Beaumont for his guidance and direction of the College Leaders.
- Mark Jones for grounding all aspirations in reality and inspiring the Class of 2018 to achieve success.

- Ria Greene, Jo Hynes and the Old Collegians, Jan Brown, the House Coordinators, Lasallian Youth Ministers, and the Brothers for supporting us during this time.

Ultimately, we thank the College itself for the men we see graduating in the Class of 2018. We thank it for providing a strong education and inspiring devotion to academia. We thank it for supporting all of our interests from sports and music, to arts and technology. And we thank it for taking 13 year old children, setting them on a correct course in life and ensuring their success in the future – all so we can live by right paths.

# FAITH REPORT FAITH BEBOBI

## Faith, Service and Community

**In 2018, we have continued to offer Masses for each Religious Education (RE) class, along with Friday morning Prayer Assemblies for each House and Year Level. These liturgical experiences, along with whole College Masses and Assemblies continue to help our students to reflect on and make connections between faith and life. An expression of our faith is the way we act toward**

others, especially those in need. From Mission Action Day to the Vinnies Winter Appeal to Have a Ball Day, and much more, our students are mindful of their responsibility to care for others both locally and globally. At this year's Vinnies Sleepout, students and staff slept rough as a sign of solidarity with the 116,000 Australians who are counted among the nation's homeless. They spent part of the night reflecting on the importance of 'home'. Their messages were filled with gratitude and appreciation of what home and their families meant to them.

## St Bede's College 80th Anniversary Mass

On the 8 February 1938, St Bede's College opened with nine De La Salle Brothers and 110 students. Eighty years later, to the very day, and on the very same site, our rich history and tradition was celebrated with an 80th Anniversary Mass and the Commissioning of St Bedes' first lay principal, Mr John Finn. We were honoured with the presence of Archbishop Denis Hart as principal celebrant, who was accompanied by concelebrating priests, Fathers Michael McEntee, Peter Matheson,

Andrew Jekot, Anthony Denton and Justel Callos – all chaplains of St Bede's.

Following the Mass, supper was enjoyed by the several hundred who attended; among them were a great number of De La Salle Brothers, including former principals of St Bede's College, numerous Old Collegians, current students, families and staff. Many wise words, prayers, memories and updates were shared that evening but by far the most challenging words came to us from St Paul:

*You are God's chosen race, his saints; he loves you, and you should be clothed in sincere compassion, in kindness and humility, gentleness and patience. Bear with one another; forgive each other as soon as a quarrel begins. The Lord has forgiven you; now you must do the same. Over all these clothes, to keep them together and complete them, put on love. And may the peace of Christ reign in your hearts, because it is for this that you were called together as parts of one body. Always be thankful. (Colossians 3:12-17)*

From humble yet earnest beginnings, St Bede's College's rich history and

tradition is still growing and thriving with over 1500 students and over 170 staff. In 2018, we aimed to be a centre of life, love and learning as we "Celebrated the Tradition and Lived the Gospel".

### It's coming ... the Tercentenary Year

A significant year for all Lasallians commences on 2 December 2018 and continues until the Feast of Christ the King 2019. During this time, we mark the Tercentenary of the **Entry into Eternal Life of our Founder, St John Baptist de La Salle (1719)** – patron of all Christian Teachers, and **Year of Lasallian Vocations**. Pope Francis has also declared it as a **Jubilee Year**.

The Tercentenary Year provides us with the opportunity to reflect on and celebrate our past, imagine and create a future filled with hope, while living in the present moment in the presence of God.

Internationally, the goals for 2019 are:

- Celebrate and give thanks for our common heritage and our vitality through our association for the transformative human and Christian

education of the young, especially the poor.

- Renew our commitment to respond to the reality and needs of today through promoting our mission, charism, and Founding story.
- Share our hope for the future within the unity and diversity of Lasallian vocations by witnessing the movement of the Spirit in our lives and ministry.

Look out for opportunities to get involved.

Live Jesus in our hearts, forever.

### RIA GREENE

*Deputy Principal Identity, Community and Action*

# RELIGIOUS EDUCATION

From Year 7 to Year 12, students have engaged in numerous learning opportunities across the Religious Education Curriculum. New courses offered this year include VCAL Religious Education (RE) and Texts and Traditions (The Gospel of Luke) Units 3 and 4, now complementing the VCAA Religion and Society studies offered.

**"I HAVE COME THAT YOU MAY HAVE LIFE AND HAVE IT TO THE FULL". (ST JOHN 10:10)**

Whilst continuously striving for improvement in the area of RE, a significant development in the RE curriculum occurred for our students in Year 9.

During Semester 2, Year 9 students have been involved in a new RE elective program allowing students to exercise greater choice in their learning. The curriculum design was based on the Catholic

Education Melbourne's Religious Education Framework Pedagogy of Encounter, and shaped by student feedback. Students completed two of the following studies: RE and Sport, RE and Communications, RE and Art, RE and Food, RE and Business.

All students were encouraged to consider the overarching question "What brings fullness of life in the 21st Century?" to themselves, to other people they know, and to people they don't know. Initial student feedback and showcases of their learning have been very positive:

*"RE and Media provided me with a totally new perspective on the subject of Religion. Throughout the course, I was able to both develop my love of film and media as well as gain a better grasp on my faith and its application in a modern world." (Samuel Valentine)*

*"The RE elective program allowed me to advance my knowledge in the different areas of Religious Education whilst enjoying my learning." (Andrew Schepis)*

**RIA GREENE AND BRENDA MCCULLAGH**

Jack Ilott commenced at St Bede's College in Year 7 this year. His father Matthew was a St Bede's Class of 1988 graduate and his grandfather John attended the College until 1956. This makes Jack a third generation St Bede's student.

Jack's grandparents, Maureen and John (deceased), have 21 grandchildren from their four children. Matthew is the only son.

Matthew's sister, Melinda Hewitson, has a son, Xavier, currently in Year 8 at St Bede's and his sister, Lisa Tuke, has a son, Finn, in Year 9. Her other sons Kieran (2012), Eamon (2013) and Seamus (2015) are all Old Collegians.

Jack is loving life at St Bede's College and taking advantage of all the activities and opportunities the school has to offer. Matthew has fond memories of St Bede's, particularly the school camps, ACC competitions and sports carnivals. He is pleasantly surprised by the number of his old teachers still at the school and those that were past students as well. "Whilst the school has changed dramatically over the years, it still has the same great 'Beda Boy' feel. Hopefully Jack will enjoy St Bede's school life as much as his grandfather and I did."

**JO HYNES**

## A Rite of Passage

The young men of the class of 2018 celebrate the end of their school days with their parents, teachers and classmates. They move from being St Bede's College students and become members of the St Bede's Old Collegians fraternity.

# FOUNDERS DAY

Founder's Day Week is an important celebration in the life of the St Bede's College community. Through our celebrations, we recall the spirit of St John Baptist de La Salle who established schools for the needy and poor in France over 200 years ago. Teachers, alongside 6,000 De La Salle Brothers, work in 84 countries to ensure that the world's youth are offered Christian education.

Benilde House Leaders, from left: Max Vaughan, Tinashe Mpakame, Ms Melisa Lyons and Cale Love-Linay

**Benilde has had an amazing, enjoyable and memorable year in both House Sports and House Arts with many strong individual and group performances.**

Our great year began with Athletics where our Seniors came in a close 2nd behind Solomon. Solomon only just managed to hold on to victory as we yet again remained undefeated in Year 10, 11 and 12 Tunnel Ball and Shuttle Relay. But our Juniors domination of the Athletics field ensured Benilde's overall Athletics victory.

Next was Swimming where a strong effort in the pool helped our Senior boys take 2nd place. Meanwhile, in the Juniors, we had another strong win ensuring overall victory.

Arts, House Music and Drama were

a great success for the Benilde boys. We managed to display our talent and win tough competitions.

Despite a valiant effort in House Public Speaking, Benilde finished in 4th place.

House Debating saw three of our best speakers defeat La Salle and progress to the Final. But despite our best efforts, Solomon reigned supreme.

In House Football, despite being affected by injuries to key players, we put in a strong effort. In our Semi Final against Solomon, big forward Sam Savvas showed his magic but it was not quite enough with Solomon scoring a winning goal after the final siren.

In the loser's bracket, we were able to dominate La Salle to take out 3rd place. Sam Savvas once again stepped up on the big stage. Following on from

House Football, Benilde was able to win House Drama. Sam Savvas starred in the Drama showing off his quest for retribution with a Rocky Balboa inspired training montage and incredible comeback from a football blunder.

Thank you from the leaders to all the boys who have participated in the Benilde activities throughout the year with true Beda spirit and showed what it means to be a true Beda boy.

Special mention to Adam Ball who was winner of the Spirit of Benilde Award. He participated in many of the House Sports and Arts – a major factor in Benilde's successful year.

# LA SALLE HOUSE

La Salle House Leaders, from left: Trent Alphonso, Spencer O'Leary, Dawit McNeish and Mr Chris Mills

## La Salle House started the year with a bang.

The first House competition was Senior House Athletics. The aim for this House competition was to have every La Salle student in an event. The inspirational grand entrance by our Year 12 students sadly didn't help the overall result, we came 3rd overall.

House Swimming was far more successful with La Salle winning the title.

Although La Salle House is inspirationally led by House Captain Spencer O'Leary and his Vice-Captains, Trent Alphonso and Dawit McNeish, all students in our House are considered leaders in their own right.

In terms of community service and fundraising, La Salle House students should be very proud of their contributions. La Salle raised over

\$5000 – the largest amount raised by St Bede's students – on Mission Action Day. These funds will be used to help those in marginalised communities and some of the La Salle Year 11 students will be heading to Thailand, which provides a practical insight into the benefits of these fundraising activities. Year 12 students also have the opportunity to visit India and build classrooms as part of the India Outreach Program.

Many La Salle students have represented the College in ACC sporting teams. Each student has shown excellent sportsmanship qualities. In particular, La Salle students Tom Wynd and Athletics Captain Gerard Kelly shone in the inaugural ACC Lawn Bowls Tournament. Other students were actively involved in the Arts, Debating, Theatre and Public Speaking and St Bede's production.

Thank you to all students for the way you got involved with the various activities in St Bede's community.

Year 10 students have had a fantastic start to Term 3 with their Work Experience followed by a week in the Grampians. The group learned many valuable life lessons and skills. Term 3 was also marked by many House events such as Visual Arts, Drama, Music, Beat the Beep and a new competition, House Short Film. Many La Salle students in Years 10, 11 and 12 have participated in these events. We even managed to win the Beat the Beep challenge, with Harrison Rudan achieving best runner for Year 11. The House Football saw Year 12 students of La Salle put together a strapping team to take on the other Houses. Despite not securing the win, it brought the group together closer than before.

House Music saw great participation and talent. La Salle put together their best musicians for an electric performance of Pink Floyd's *Time* and Kings of Leon's *Sex On Fire*. Following this, Jackson Cowden, Kye Jarvis and Adam Forbes helped Year 12 students craft an extremely entertaining skit for House Drama. The production involved dodgy construction workers at a site dealing with WorkSafe, which left the audience falling out of their seats in laughter. The inaugural House

Short Film Competition prompted many students of the House to come together and collaborate on a short 4-minute video centred around the theme 'Cometh the Moment, Cometh the Man'. It was presented in the last week of Term. It saw great attendance and success for what was a stunning production. Simultaneously, House Visual Arts saw the students paint their interpretation of *College Life* in the Resource Centre. It made for an excellent visual addition to St Bede's.

Thanks to student James Debarre for leading the artists in creating a truly magnificent piece of work.

Term 3 marked a very busy and challenging time for Year 12 students as they finished the remainder of their assessments with their exams close on the horizon. Year 11 and 10 will follow closely behind them towards the conclusion of Term 4.

We are lucky enough at St. Bede's College to host some outstanding talent in the visual arts at all year levels.

VCE Art students have had a busy year, starting with the annual Art Camp weekend away at Cypress Lodge on Phillip Island. Boys in year 11 and 12 enjoyed the fine weather and experienced painting and drawing 'en plein air' with staff in a relaxed atmosphere.

Local artist Linda Hamilton was invited back in April to host a series of life drawing classes for VCE Art students. Linda has been teaching life drawing at the school for a number of years and provides an excellent experience for the boys which allows them to add to their folios.

We were also able to run two VCE Art excursions into the city this year, to see the *Top Arts 2018* and *MoMA* exhibitions, both hosted by NGV.

Our talented students in years 7, 8, 9 and 10 have been working diligently across many exciting projects in Art, Visual Communication and Media throughout the year, providing numerous pieces of work for display around the school and for the annual Visual Arts and Technology Show in term four - again one of the highlights of the school calendar.

My thanks to all staff across the Art, Visual Communication and Media departments for all their efforts this year.

# McCRISTAL HOUSE

McCristal House leaders, from left: Nicholas De Bruin, Jack Castwood-Pyper, Lucas Butta and Mr Owen Lalor

**After a record breaking 2017 House Competition, it was always going to be a challenge to repeat. Although we have not replicated those achievements it was an unforgettable year nonetheless.**

Under the wise tutelage of Mr Lalor, McCristal competed valiantly in all facets of senior school life. House Swimming was one of our first competitions, and while our all-in approach failed to lift us to victory it was still a great day that set the tone for the year ahead. The next event on the calendar was the highly anticipated House Athletics. Mr Lalor was in fine form and rallied the troops with his usual charisma. After several arduous training sessions, Year 12 students perfected their entry and were ready to compete led by chief motivator Nathan Boccari.

Unfortunately, we experienced a few technical difficulties that set the tone for our performance on the day. Ultimately, we soldiered our way to a respectable 3rd place finish. We claimed the most important award of all – longest Year 12 entrance – and longest Slip and Slide.

Although we did not deliver the Cup as a collective, the day was enjoyed by all. Shortly before Athletics Day, the coveted Hackett Mile was held. In a gruelling event, McCristal was represented strongly across all year levels. A special mention to Tutor Group 30 with all of their Year 12 students participating.

As the Term came to a close, Mission Action Day was held. McCristal committed themselves to the cause with great excitement and raised \$10,500. It was a great effort by all students. Every student contributed

and helped to showcase our House spirit.

Over the long and cold Winter days of Term 2, students were all too aware of the looming Cross Country Carnival. Spurred on by images of last year's runners in the corridors, we began motivating McCristal students to once again compete with record numbers of participants. Although we were not the most gifted Athletic House, our huge participation and willingness to get involved become a hallmark of McCristal. Unfortunately, we did not win the Yotti Hanna Trophy but a respectable 3rd place was just rewards for the sheer mass of competitors that descended upon Mentone Beach.

During the Term, House Debating was also held. We assembled a team of young emerging debaters to highlight our potential beyond

2018. Representatives Jeremy Mann, Liam Collins and Mattias Seisdodos competed with great charisma arguing "Life was better before the internet" but unfortunately lost in the first round to Solomon. Jeremy also participated in Public Speaking alongside Jack Langdon. They both helped McCristal achieve a close 2nd place.

Term 3 is an incredibly busy part of the year for VCE students. Many involved themselves in the array of House Competitions throughout the term.

House Football was the first event on the schedule and we were among the favourites to go all the way.

After dominating La Salle in Round 1, we progressed through to the Final with ease. Greeted with a strong wind, we flew out to an early lead. Unfortunately, Solomon clawed back the lead and snatched a win in the

dying moments.

We did not win but it was a great effort considering some participants did not play football at all. In House Drama, under the direction of Jack Langdon, McCristal completed a spine-tingling four part lip-sync of *High School McCristal*. Despite being a work of art, we ended up finishing 4th. It was well received by the crowd and kicked off the competition with a bang.

Keen to redeem ourselves in House Music, a band consisting of Will Clifton who was exceptional on the drums, Per Michael Ohlson, Jeremy Mann, Tom Pinnuck, Fintan Glackin, Jack Pyper behind the scenes and lead singer Oscar Horsey performed a couple of rousing renditions of Michael Jackson and Kiss. Rocking and rolling our way to a 2nd place finish, the boys were exceptional and

did McCristal proud. The inaugural House Short Film Competition started with several script rewrites by Jack Pyper and Will Clifton. They produced a funny and engaging interpretation of the theme *Cometh the man, cometh the moment*.

In House Art, our team consisting of Indi Heppel, MJ Montenegro, Dan Murnane and Lucas Vagaj, completed an incredible piece of art inspired by the brotherhood of St Bede's. Overall, the year has been an amazing journey filled with many memorable moments. On behalf of McCristal, I would like to thank all the tutors for their time and efforts over the year. In particular, thank you to Mr Lalor, Mr Last and Mr Reidy who have helped make the year unforgettable in so many ways.

Solomon House Leaders, from left: Mr Sam Radford, Luke Burke, Edward McGarry and Tom McCauley

**It has been a successful year for Solomon House. Our involvement in House events, both sporting and the arts, has been superb and our efforts unquestionable.**

Early in the year, we set our ambition on winning the Bede Shield, a half joke, half serious goal. But when Mr Radford promised parmigianas from the Mentone RSL for Year 12 students, we were determined to achieve the impossible. Being more driven than we have been in years, Solomon got off to a dream start as unlikely victors of the House Swimming Competition.

In the House Athletics, we won the Senior division. However, with unfortunate results in the Juniors, we ended up 2nd to the archrivals Benilde. House Cross Country was another that didn't fail to impress, with Solomon dominating. With 6 runners in the top 10 overall, we took 1st place with 147 total points, blowing every other House out of the water.

In the House Football, we entered as

underdogs determined to impress. Arguably the most anticipated sporting event of the year, the fixture showed a Benilde vs Solomon qualifying game. The game was back and forth all the way until the end. With mere seconds left on the clock, Solomon was down by a point until man of the moment Cooper Ryan stepped up and took a mark in the forward 50m.

With an unfavourable angle and after the siren, Cooper banana-kicked our way into the final against McCristal.

Two weeks on, preparing without rest, Fraser Nicholson charged through a tackle in the goal square, earned a free kick and kicked the winning goal. The siren sounded with Solomon up by 2 points and the scenes were unbelievable.

It dawned on the Solomon boys that the Bede Shield may not be an impossible goal after all. With the promise of parmigianas on the horizon, Year 12 stomachs began to grumble while Mr Radford put a second mortgage on his house.

In House Arts, the stakes could not

have been higher. Unfortunately, we finished in 3rd place for Public Speaking. But all was not lost as Benilde finished 4th.

In Debating, Elijah Barrett and Joel Bright carried the team past McCristal in the qualifiers all the way to the Final against Benilde. In a result that caused uproar, Solomon dominated Benilde on the topic, 'That single use plastic bags should be abolished.'

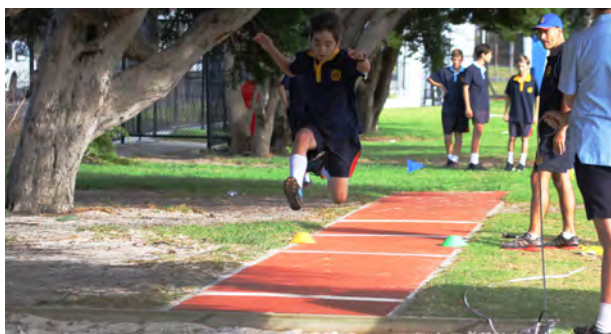

The end of Term 3 brought about the final few House Arts events. In House Drama, Solomon performed a synchronised swimming skit that fell 2nd to Benilde House's short film that was submitted a couple of weeks early. In House Music, Benilde – the fan favourites – lived up to expectations with a very good performance from Liam Gracias and Mac Nicholson. Solomon took 3rd place with performances of The Kooks's *Naïve* and The Arctic Monkeys' *I Bet You Look Good on the Dancefloor*.

# MISSION ACTION DAY

## Making a Difference!

That is the hope behind all the planning, gathering of sponsors, reflection and physical exertion that comprises this annual event in the life of the St Bede's College community.

This year the money raised went towards our Lasallian Mission projects in India and Thailand. Our boys and staff have been involved in extensive building works including much needed schooling and housing facilities for those in need.

# LASALLIAN OUTREACH

**St Bede's College proudly organises three annual international outreach volunteer programmes where students and staff give their time to support the works conducted by the De La Salle Brothers in India and Thailand. The building projects undertaken by these groups are made possible by the funds raised by our Mission Action Day campaign.**

## Thailand

In 2018, two groups of Year 11 students and staff travelled to Sangkhlaburi, Thailand (located 350km NW of Bangkok) to provide outreach to two Lasallian schools – the Bamboo School and the La Salle Sangkhlaburi School. At these schools, the De La Salle Brothers help displaced and impoverished children complete their primary education.

Since 2013, St Bede's College volunteers have worked tirelessly

during their time at these schools building two hostels, a dormitory, study hall and a combined kitchen and dining hall to care for over thirty orphaned, refugee or neglected children; a new canteen; a multi-purpose recreation building; and a toilet block to provide much needed sanitation infrastructure. This year's Thailand volunteers continued such work by building a new volunteer's house to cater for the growing number

of volunteers that visit and help the Brothers with their work, as well as completing some landscaping and planting works in the area surrounding the volunteer's house.

When the volunteers were not involved in building works, they involved themselves in recreating and organising games for the school children, supporting teachers in the classroom, and participating in school activities and ceremonies.

# LA SALLIAN OUTREACH

## India

In December 2017, a group of staff and Year 12 students travelled to a small village near Batlagundu in Tamil Nadu, Southern India. There the volunteers worked with Reaching the Unreached (RTU), an organisation founded by the late De La Salle Brother James Kimpton FSC.

Primarily, the volunteers worked with the housing division of RTU to build five houses for extremely poor villagers whose income is not more than \$3 per day. The living conditions of these villagers and their families usually consists of thatched huts that not only need replacing every year or two depending on the severity of the monsoons, but also have no basic amenities such as sanitation, plumbing and electricity. The houses that the volunteers built were permanent structures made of bricks and mortar with all essential amenities. Away from this building work, the volunteers also spent plenty of time recreating with and living among orphaned, neglected and HIV positive children that RTU care for at their hostels and orphanages.

### MARK MICALLEF

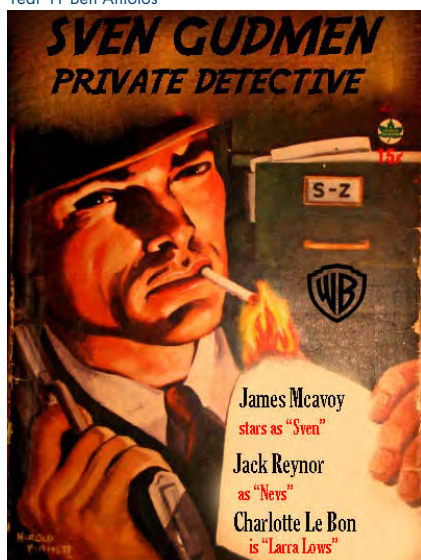

*Coordinator for Outreach Program*

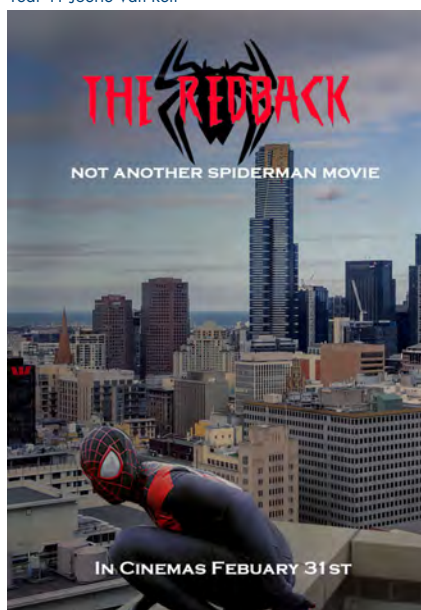

Year 11 Ben Antolos

Year 11 Joerie Van Reit

Year 11 Max Moyan

Students of Media in 2018 have embraced and explored narrative storytelling, in a myriad of media forms across a broad range of topics and interests.

Year 10 students investigated My World through the innovative use of Photography. Year 11 students re-imaged representations of Heroes and Villains via Film Posters and Video Trailers. Year 12 students delved deep into the dark world of Film Noir – inspiring them to create original stories using the latest digital technologies to engage the audience. Our students have achieved success and learnt more about themselves along the way.

# PARENTS & FRIENDS

**The Parents and Friends Committee has held events all year long to improve and enhance the experience for your boys whilst they are attending St Bede's College.**

We are a group of parent-volunteers who work with school representatives to ensure that contributions are spent where they are needed most and to enhance the social connectedness of families to the college.

The 80th Jubilee was a significant milestone for St Bede's and the Committee worked tirelessly to ensure that this occasion was memorably celebrated. All who attended enjoyed an evening of entertainment and had the opportunity to look back on the history of St Bede's through photographs spanning the 80 years. We would like to thank the wonderful band Noisy Johnnies and DJ Matt Carlson.

Other major activities included:

- Year 7 welcome morning tea
- Year 7 welcome to parents evening
- Year 7 Grandparents morning tea
- Mother's Day / Father's Day stalls
- Financial support for the Art show
- Year 12 Families' breakfast
- Amenities support for Cypress Lodge at Philip Island
- Financial support for awards covering Music / Art / Technology / LOTE

- Sporting equipment for the use of the boys
- Walking group

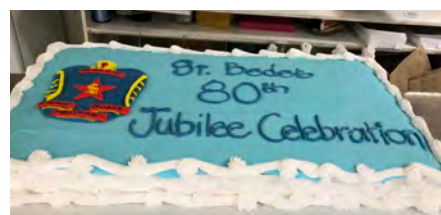

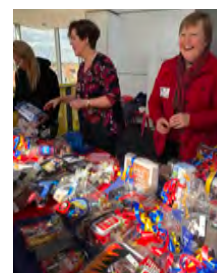

On behalf of the Committee, I would like to thank the following members of our College Community who provided so much support to the committee: John Finn (College Principal), Luke Green (Deputy Principal), Jan Brown (PA to the Principal), the College Administration team and to Lindy Syrett (and the whole Canteen team) who have gone over and above to assist with all events at St Bede's.

Finally, I would sincerely like to thank the Committee for their outstanding efforts and support to ensure every event was a success. As a community, it is through these events that we connect and strengthen bonds. This is what St Bede's reflects as we say goodbye to our Year 12 boys and wish them well in their new endeavours. May they and their families know we have them in our prayers. I have enjoyed sharing these events with our community and hope to be apart of the 2019 year of events.

Wishing all St Bede's families, a safe and happy Christmas.

**JACINTA JONES**

*President St Bede's Parents and Friends Committee*

**The Wellbeing Team have supported over 500 students and their families this year helping to develop strong networks in the provision of care. Without the help of Coordinators, vigilant teachers, parents and peers, many concerns would not be addressed. Our connections with Headspace, General Practitioners and other external agencies ensure that the wellbeing of our young men is key to their development. As well as meeting with students individually, the Counsellors were invited to present to various Year Levels and classes on topics of anxiety, identity and exam preparation.**

This year, we welcomed Sophie Gonzales to the Counselling Team. Sophie has become a valuable addition to our team and is building a solid client base and knowledge of the St Bede's Community through her contact with staff and students.

As Chairperson of the Child Safe School Committee and subcommittee for students, Scott Cadby assisted Enzo di Toro in preparing St Bede's for the Child Safety Audit. The Staff and Student Committees meet each term to

ensure that each student attending St Bede's is safe in all dimensions of their schooling, home life and personal development. Staff receive ongoing Professional Development in Child Safety Documents related to Child Safety are located on the St Bede's College website.

Our Games Cove continued with a healthy representation from Year 7 and 8 students supported by Year 12 Leaders. With the growing number of devices used for entertainment, it was encouraging to see that some students still enjoy the challenges found in construction and board games whilst at the same time giving the user's brain an opportunity to rest.

We were fortunate to have a return to St Bede's by Paul Dillon from Drug and Alcohol Research Training Australia. Paul spoke to Year 10, 11 and 12 students and staff. In the evening, parents from St Bede's and Kilbreda Colleges were presented *Teenagers Alcohol and other Drugs 2018: What's happening, what's out there and how much influence do parents really have?* Feedback from students and parents attending the various presentations was positive.

Paul will return to St Bede's next year to continue his work with our students.

**JENNY WHITE**

*Wellbeing and Counselling Coordinator*

# DEBATING DEBATING

St Bede's Debating Squad

**Problem-solving, analytical thinking, creativity and collaboration – whilst these are all desired traits in the modern workplace, they are also the foundation on which St Bede's has built a successful year of debating competitions and privileged immersion experiences.**

With a squad of 40 boys, teams were fielded in both Debaters Association of Victoria (DAV) and Associated Catholic Colleges (ACC) competitions. There were also new initiatives for Senior students – including Model United Nations Association and Youth Parliament. St Bede's College 1, D Grade were crowned as Champions of the statewide DAV competition. A great achievement considering the starting field was 800 teams. Congratulations to Elijah McEvoy, Lyndon Bulman, Lachlan Doyle, Tomas Cooling, Ben Martinelli and their mentor Mr Carl DeSouza. The DAV Swannie Award being won by Year 10 student Sam Murray. He achieved the highest average C Grade speaker score across Bayside region.

In the July term break, the annual Youth Parliament Event sat at Victorian Parliament House, and was entered by six Senior students generously sponsored by Mr Peter Walsh. This group collaborated over a seven-month period to identify possible subjects for draft legislation to be researched, politically framed and submitted for initial consideration by the YMCA. Upon receipt of one of the 20 places in the program, the real work began: to scrutinise, refine, test and perfect the legislation for its presentation in the Legislative Assembly. The group was privileged throughout the process to have the audience of some prominent political figures, including Shadow Minister for Education Tim Smith MP; Murray Thompson MP; Liberal Party member for Sandringham Murray Thompson MLA; and St Bede's Old Collegian and local Liberal Party Candidate Brad Roswell. Their Life Skills Education Development Bill was presented in a mock Parliament Assembly on July 5 and passed. Rami Saab was awarded the Dave Davis Award for upholding values of the YMCA throughout the program.

The annual Junior School Challenge helped new debaters get involved and established debaters learn to adjudicate and broaden their skill bases further. Our busy schedule continues to show that there is much activity and many initiatives in debating. All designed to immerse students in contemporary social contexts and develop their soft skills in readiness for life beyond school gates.

Thank you to staff mentors Carl DeSouza, Viv Ditcham and Sally Spencer for their assistance and guidance of students throughout the year. It would have been impossible to have run so many teams and events without your valued support. Well done to all debaters for their energies, their collaboration and their skills – the collective reason for another empowering, successful and enjoyable year.

**KAYLENE MENARA**  
*Debating Coordinator*

Debaters Association of Victoria D Grade Champions

## DAV State Champions 2018

### Congratulations to SBC D Grade 1 - DAV D Grade State Champions for 2018!

"That foreign aid should only be given to countries with good human rights records" made for a terrific Grand Final, with strong arguments being available to both teams.

Elijah McEvoy, Lyndon Bulman and Lachlan Doyle made certain that no stone was left unturned in their quest

for the title, all three debating with eloquence and depth far beyond their years - their efforts unanimously awarded the win against their opponents from Frankston Secondary College.

The result followed a stellar finals series which capped off a very successful season for the team who also finished top of the D Grade Bayside DAV Division. Well done

on this most significant achievement Elijah McEvoy, Lyndon Bulman, Lachlan Doyle, Tomas Cooling and Ben Martinelli, and their staff mentor, Mr Carl DeSouza.

Thank you to all who attended at Caulfield Grammar School to support the St Bede's team - to the parents, grandparents and friends, to college staff members and to college Principal, Mr John Finn.

### KAYLENE MENARA

Sam Murray DAV Swanie Award Winner C Grade Bayside

# PUBLIC SPEAKING

Br Quentin Winners

**It has been another busy year of Public Speaking events in 2018. Seasoned public speakers have refined their skills and been very successful in various competitions. Students who have never attempted to speak to a large audience before have put a lot of effort into learning both prepared and impromptu speech strategies and have realised how exhilarating public speaking can be.**

Every St Bede's student is involved in delivering Oral Presentations as part of the English curriculum and a representative from each English class is selected to participate in **Year Level Speak Offs**. These Speak Offs occurred throughout Term 3 culminating with the top two speakers from each year level competing against each other to secure the title of Year Level Champion at the **Brother Quentin Public Speaking Evening**. This event is held in honour of Brother Quentin O'Halloran, a Brother whom is much loved by the student body and currently devotes his time to tutor Year 12 students in English.

Congratulations to the following students who competed in this College event:

Year 7 <b>Winner</b> Elliot Ferriggi	<b>Runner-up</b> Dylan Collins
Year 8 <b>Winner</b> Jakob Anderson	<b>Runner-up</b> Bishaal Gurung
Year 9 <b>Winner</b> Lyndon Bulman	<b>Runner-up</b> Elijah McEvoy
Year 10 <b>Winner</b> Liam Collins	<b>Runner-up</b> Elijah Barrett
Year 11 <b>Winner</b> Daniel Passante	<b>Runner-up</b> Jeremy Mann
Year 12 <b>Winner</b> Jack Langdon	<b>Runner-up</b> Julian Taylor
<b>Overall Winner:</b> Lyndon Bulman	

The top speakers from each year level went on to compete against representatives from De La Salle and St James

Br Quentin Year 7

Colleges in the **Lasallian Public Speaking Evening**. This event rotates each year between the three Lasallian Colleges and the event was held at St Bede's College in 2018. Congratulations to Jack Langdon for being named the **Overall Winner** as well as Jakob Anderson (Year 8), Lyndon Bulman (Year 9), Daniel Passante (Year 11) and Jack Langdon (Year 12) for winning their respective **year level awards**.

Another public speaking event held at St Bede's College this year was the **House Public Speaking Competition**. Congratulations to the senior students who competed in the House Public Speaking competition, speaking for 3 minutes on the topic 'The Greatest Influence'.

Benilde – **Chester Ryan** and **Dillon Bulman**

La Salle – **Daniel Passante** and **Nick Gale**

Solomon – **Elijah Barrett** and **Elliott Mathers**

McCrystal – **Jeremy Mann** and **Jack Langdon**

The winners were La Salle House – with best year level speaker being awarded to Daniel Passante for Year 11 and Nick Gale for Year 12.

I would like to give a special commendation to Year 12 students Darcy Tilbrook and Matthew Watson who hosted the House Public Speaking event. Matthew Watson also hosted the Brother Quentin and Lasallian Challenge evenings – keeping audiences informed about his views on the topics selected by the representatives and making audiences laugh when he too attempted an impromptu speech as the host.

Students have also been very busy competing in external public speaking events and have achieved great success. Congratulations to the following students for their success in the following events:

ACC Junior Public Speaking:	Chris Bufalo, Jakob Anderson, Hunter Trumble & Harry Griffin
ACC Intermediate Public Speaking:	Samuel Valentine, Renzo Alves Glennon, Ben Uehara, Elijah McEvoy
AINGER Public Speaking:	Chester Ryan, Jeremy Mann, Daniel Passante
DAV Intermediate Public Speaking:	Ben Uehara, Elijah McEvoy
DAV Senior Public Speaking:	Jeremy Mann, Chester Ryan
Legacy Junior Public Speaking:	Lachlan Doyle, Chris Bufalo, Elijah McEvoy
Plain English Speaking Award (PESA):	Daniel Passante, Jeremy Mann
Rostrum Public Speaking:	Liam Higgins, James Donlan
Rotary ANZAC Public Speaking:	Jeremy Mann

# PUBLIC SPEAKING

Lasallian Winners

Legacy Regional Finals

ACC Intermediate Winners

The following students are to be congratulated for their outstanding achievements in 2018:

ACC Intermediate Public Speaking team:

Jeremy Mann (Year 11):

Elijah McEvoy (Year 9):

Overall Winner

PESA Semi-Finalist

Legacy State Finalist

I would like to thank all of the staff and students who have supported Public Speaking this year. A special mention to all of the students who assisted with hosting internal events, the 2018 Public Speaking Captain Jack Langdon and

each of the talented students who competed in events throughout the year.

**LAURA MATTHEWS**  
*Public Speaking Coordinator*

# BUSINESS MANAGER'S REPORT

**As a community, 2018 saw the College celebrate an astounding 80 years of La Sallian Education, with the activities that took place during the year demonstrating the generous spirit of all who were involved. It has been amazing to see so many people come together, proud of their La Sallian journey, to celebrate the past, present and future of the College.**

2018 has seen a number of capital improvements to the College. Our major project this year has been the extensive refurbishment of the Technology/ICT building which was completed in July 2018. Also the senior quadrangle shade sail was completed in April.

I would like to thank the Parents & Friend's Association who continually support College events. Each year the association directs funds back into projects for the benefit of the students. In 2018, the association funded

refurbishment of the sports pavilion. This included new showers and toilets, as well as painting both home and away rooms. The parent volunteers in the College canteen have provided wonderful support to our Canteen staff.

I want to thank the St Bede's College Board for their financial support and guidance over the year. The college is very lucky to have the strategic expertise of these people.

The Old Collegians have continued to

work constructively to achieve greater community feeling about the school with the organisation of reunions, annual dinner, Golf Day, careers night and other activities.

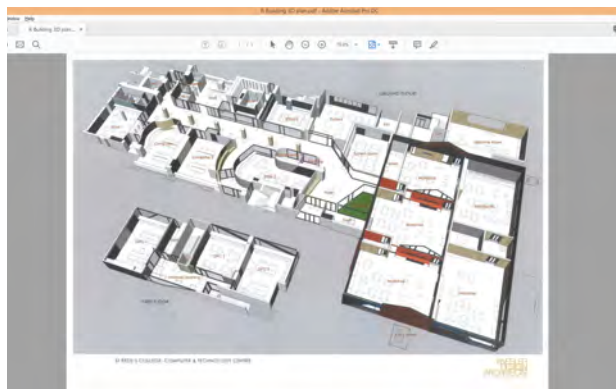

Special thanks to the support staff of the College who do wonderful work in supporting teaching staff and students. We have over 42 support staff who provide services to Administration, Finance, Library, ICT, Education Support, Teaching Aids, Maintenance, Canteen and the Uniform shop.

I extend to families and all staff of the College my best wishes for the Christmas and New Year Season.

**DOMINIC LANGDON**  
*Business Manager*

# NEW TECHNOLOGY BUILDING

## Renovated Information Technology and Technology Buildings

The renovation of the Information Technology and Technology Buildings was completed in July of 2018. These facilities provide a state of the art learning environment for students and are now being enthusiastically used by the College community. The renovations include: IT Support area, Audio-visual area, 3 STEM based rooms, 2 Computer Labs, Systems room, Pottery Room and Kiln, 4 Technology workshops, Machine Room, Laser Cutting Room and 3 General Purpose Classrooms.

**DAVID CRACKNELL**

*Deputy Principal – ICT and Infrastructure*

# WORK EXPERIENCE

# МОВК ЕХРІЕНЦЕ

Sam Connolly – HANSA Butchery and Cafe

All students in Year 10 participated in one week of Work Experience. It provided our students with the valuable opportunity to:

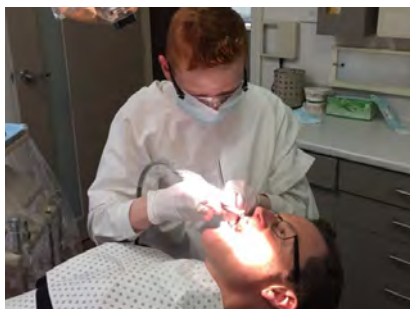

- develop employability skills
- explore possible career options
- understand employer expectations and
- increase their self-understanding, maturity, independence and self-confidence.

Matthew Diakogeorgiou – Mike Roddy JAG Services Pty Ltd

Josh Dudman Doyle – Peter Mac Cancer Centre

Jack Pooley – Bentleigh Dental on McKinnon

Lachlan Carrigan – Franklin Landscape Design

Jake Davis – Donellan Constructions

Tyler Alexander – Network Ten

Matt Dunne – X-Golf Australasia

Ethan Wellman – Football Federation Victoria

The feedback from both students and employers was exceptionally high. I would like to thank Sherine Burl for all her hard work in enabling this program to run so smoothly.

Here are some comments from employers:

## **Samuel Brennan – Rebel Sport**

It was a pleasure to have Samuel complete work experience, Samuel was an excellent help with completing tasks as required.

## **Jack Cain – The Walt Disney Company Aus/NZ**

Jack LOVES Disney and Disney LOVED Jack! Jack has been a brilliant help with his computer skills and a pleasure to have in the office.

## **Callum Evans – St Brigid's PS**

Callum has had an amazing week. Callum has been a great help especially assisting with a young student who enjoyed spending recess & lunch playing Chess with Callum.

## **Damon Kelly – AB Phillips**

Damon is an absolute delight and a pleasure to have in the office. Damon really enjoyed learning about the insurance side of the companies.

## **Harley Luscombe – Meat, Flour Wine**

It was great having Harley with us, he is an exceptional young man with a great attitude and we have offered him a part time job.

## **Mathew Diakogeorgiou – Mike Roddy Jag Services Pty Ltd**

Teagan said Mathew has really enjoyed working on the JAG cars. Mathew was a polite young man who is keen, showed interest and asked many questions - he was a pleasure to have at Mike Roddy Jag Services.

## **Michael Lewis – Choices Flooring – Head Office**

Michael was a great help with their social media page, and was able to assist with an advert for House & Garden and attend a photo shoot.

## Careers

The Careers and Pathways Centre continues to provide a central place for students seeking information about courses and careers. The Centre is continually updating its many resources, and is open to students every recess and lunchtime. Throughout the year, individual careers counselling was provided to a very large number of students, along with more general careers advice including VTAC course selections, SEAS and Scholarships, subject selection planning, vocational testing, post-compulsory transition planning, apprenticeship information and job applications.

## Careers Insight Evening

The Careers Insight Evening on 27 February gave our students in Years 9 to 12, along with their parents, a real insight into over 60 different careers. The students and their parents had the opportunity to hear about the industry the speakers were currently working in, the different jobs they have held, the courses they completed and any advice they could offer to our students. There was also an opportunity for questions and answers at the end of

Collegians who give up their time for this important event. Our Careers Insight Evening is made possible with the assistance of the Old Collegians Association.

## VTAC Information Seminar

This year the annual VTAC Information Session, held in our College Hall, was exceptionally well attended with over 85% of all Year 12 students and their parents attending. Suzanne Connelly, the Director of Publications and Information Services for VTAC (Victorian Tertiary Admissions Centre), presented a very practical and informative session focusing on how best to apply for tertiary courses, special consideration applications,

each session. Networking was alive and well on the night. Many students in Year 10 secured work experience. Each year, we have a mix of young and older speakers offering both depth and relevance to our students. We sincerely thank our 60+ Old

costs, etc. Parents were very grateful to receive such down to earth advice on how to assist their sons during this busy time of their year 12.

## College Careers Website

The College Careers Website had a makeover with many new, innovative and useful links provided to our students and wider community. For example, it now has a calendar linked to every careers event in Victoria allowing students to plan their activities in advance. In the secure 'For Students' portal, they can

reflect on their interests, skills and work values and see how these relate to careers. Students can create and edit a resume, write job cover letters and complete a mock job application. They can also do some different career plans and even develop an online digital portfolio.

In Term 2, all Year 10 students used this site to investigate a job and followed up by researching any prerequisites that may be required for a course leading to this type of work.

## PACTS (Parents As Career Transition Support)

The PACTS program is a series of workshops developed to provide parents with timely information about educational pathways and offers ideas to support their sons in making career transition decisions. PACTS programs are run for parents during Term 1 and 2. This year, over 80 parents attended these sessions.

## Year 10 VCE and VCAL information evening

This year, representatives from universities and TAFE institutes were invited to speak to Year 10 students and their parents about courses and careers. Concurrently on the night, information sessions were presented along with VCE teachers who engaged with students and spoke about their subjects.

## ANGIE GREAVES

*Careers and Pathways Coordinator*

# RESOURCE CENTRE

Book Club members including a visit from John Finn

Book Club members on excursion at the State Library of Victoria

**Some exciting developments have happened this year in the Resource Centre. We have had a number of staffing changes and have been working to ensure our services support the wider mission and vision of the school.**

As recently appointed Resource Centre Leader, it has become apparent to me that we are a very busy place. Our records indicate that in Term 2 our average daily usage was 594 students during school periods including before school, recess, lunch, and after school. This is wonderful to see and I look forward to working closely with my team in addressing the challenges of running a busy library while supporting the school's pastoral objectives.

We also look forward to developing our students' reading capabilities and research skills in a world of online convenience. Our students live in a world where temptations to cut and paste information are prevalent at the expense of deep and meaningful learning.

We welcome Riny Davis, our Digital Services Librarian. Riny has been developing our databases and working on our new 'Libguides' online curation

project. This initiative involves the services of Sue Ward, our Curriculum Resources Teacher Librarian who has been sourcing authoritative online content to be included on our Libguides page in support of the curriculum. Teachers and students can use these Libguides knowing the online content is authoritative and appropriate to various reading levels. Sue has continued to run our successful bookclub, Boyzread, which holds a variety of activities to excite boys about reading and encourages student leadership. We also welcome Stuart Harrison in his role as Publications Librarian, helping ensure the library produces a yearbook reflecting the core curricular and extra-curricular activities of the College.

I also acknowledge Linda Wilkinson's efforts, our Wider Reading Coordinator, who works with our Year 7 to 9 English classes, promoting a love of reading and use of our collection. This includes a very successful Book Week. With the help of Robyn Kensley our Learning Area Leader for English (junior school), Linda secured the services of renowned children's authors Tristan Banks and Rob Newton. Both writers spoke about their writing careers, discussing why they became authors.

RAD reading program

A selection of boys participated in a writer's workshop hosted by Tristan.

Lauren Gates, in her new role of Orders and Acquisitions Technician, ensures the library runs smoothly. She carries out administrative matters such as ordering of resources, accounts payable, and other housekeeping tasks. Lauren's display work makes the library a more welcoming and attractive place.

I look forward to working closely with Learning Area Leaders in 2019. We will use data to assess and measure information and reading skills. We will also use statistics to inform programs run by the library in collaboration with teaching staff to ensure boys are developing their research skills within the context of their assignments.

Year 9 Language Workshop class – hard at work!

Year 10 student on Tailored Pathways Program in Melbourne CBD

**The Beacon supports the learning needs of students at the College who, for any number of reasons, may be experiencing learning difficulties. Our vision is to enable all students to be able to access the curriculum to the very best of their ability, achieve individual success and develop their literacy skills.**

Our Language Workshops support classes from Year 7 to 9, and aim to engage students in literacy by focusing on high interest topics that appeal specifically to boys. We use a range of resources to target the basic skills required in reading, comprehension tasks, spelling and written language. We involve the small group classes in plenty of lively discussion in the process.

This year, we have been very lucky to have Lisa Leeds, Lisa Coate and Barry McLaren as our Learning Support Assistants, all of whom have worked very hard in the classrooms helping both teachers and students. Their supportive work assisting the boys to develop their organisational, planning and prioritising skills, has been invaluable.

Our Homework Help Program has continued to operate every Wednesday afternoon from 3.30pm – 4.15pm in S31. However, it would be great to see more boys, particularly those in Years 7 and 8, coming along to Homework Help and reap the benefits of specialised homework support each week.

2018 has been another busy and productive year in the Learning Support Department. Beacon staff have worked collaboratively with students, parents, St Bede's College staff and visiting teachers, utilising best practice to meet the learning needs of all boys involved with the Beacon program. Intensive support for our students continues to be implemented through the following programs and activities:

- Small group Language Workshop classes for Years 7 to 9
- Homework Help (Wednesdays 3.30pm-4.15pm)
- Program Support Group meetings with parents and referrals to external agencies
- Additional school visits to assist orientation for incoming Year 7 students

- Special Provisions for students during exams
- Provision of individualised classroom accommodations, adjustments and development of Personal Learning Plans
- Tailored Pathways Program in the city for a select group of Year 10 boys
- Games Cove - lunchtime social skills and friendship building program

We sadly farewell Lisa Sims this year. Lisa has been a wonderful Language Workshop teacher and committed member of our Beacon team for the past nine years. All of us wish her well in the future.

All of the staff in the Beacon extend their best wishes and continuing support to all families in 2019.

From the 2018 Beacon Team,

**SUE GABRON , CATHERINE HURST, DAMON JACOBS, AMANDA KIDSON-PAGE, LOUISE DOYLE, ANTHEA SCULLY, CHRISTELLE ALLEN, LISA LEEDS, LISA COATE, BARRY MCLAREN**

**The Victorian Curriculum of Applied Learning (VCAL) program is designed to provide students with an alternative 'hands on' option for their senior studies. We focus on providing students with practical work related experiences alongside numeracy, literacy, personal development skills, work related skills and religious education.**

All students must attend school for three days a week, while attending a VET Course on one day and undertaking a structured work placement related to their chosen industry on the other day.

A large variety of VET courses have been well supported by our students in 2018. Students have had the opportunity to successfully complete a Certificate II in Business (Applied Learning) as part of their VCAL studies internally within St Bede's in addition to external VET Certificates run at TAFE colleges. Industries in which students have undertaken a VET certificate are Building & Construction, Automotive, Electrotechnology, Plumbing, Aviation, Hospitality and Music Industry.

At St Bede's College, our students are encouraged to develop a wide range of skills with specific links back to their family, school and community. Several activities which the students have undertaken throughout 2018, give our students the ability to be leaders while contributing to the greater community. Students who are undertaking their VCAL certificates have been involved with a program facilitated by the

education organisation Food Security Network. This program introduces students to the growing problems of food insecurity and homelessness in Melbourne. While learning about these big issues students grow an edible harvest of vegetables for donation to welfare agencies. The students learn a range of skills from the practical, like costing of the project, building planter boxes, creating and maintaining the vegetable crops to the science of growing vegetables.

At the end of the growing season, the crops will be harvested and offered

to organisations such as the Fair Share Kitchen or the Asylum Seeker Resource Centre. We encourage all students to enhance their skill level and involve themselves in teamwork and community spirit.

Our students have also been on some very interesting excursions, which have a very strong link to the curriculum. Students had the opportunity to visit Marngoneet Correctional Facility, where they were confronted and challenged by prisoners' real life experiences about what led them to be there. Students also met with Teenage Road Accident Group (TRAG), which highlighted the importance of making good choices.

Personal development activities have engaged students in rock climbing, self-defence, paddle boarding and lawn bowls. Students have also worked alongside Parkdale Beach Patrol where they volunteered to collect rubbish from the beach spanning Mentone to Parkdale. This

highlights the community emphasis and importance in skill development that our young men have obtained through our VCAL program.

Such skills have also been used in the students structured work placement. Students have worked in a large variety of industry-specific work places, which has encapsulated and honed in on the importance of applying such skills to a real work life situation. Work Placement has been exceptionally successful this year and has helped lead many of our students into apprenticeships and future careers.

Overall, this year has been exceptionally rewarding and has challenged students while engaging them to further grow confidence, knowledge and skills of real life work and community situations.

**JANINA MCLAREN**  
Applied Learning VET Coordinator

# VISUAL ARTS & TECHNOLOGY SHOW

## The 2018 Visual Arts & Technology Show

The exhibition took place in the Sports Hall and the awards evening saw students presented with a wide range of awards kindly donated by our sponsors Audi Centre Brighton, Thomson Real Estate, the Parents and Friends Association, Principal John Finn, Zart Art and the St Bede's Old Collegians Association. Families and staff enjoyed canapés and light refreshments whilst viewing the creative works on display.

*Moonlight & Magnolias in action*

*Year 10 Theatre Studies excursion*

*Year 12 Theatre Studies at A Doll's House*

*Creative team for Moonlight & Manolias*

*Story teller, Nick Waxman addresses Year 7 Drama*

**The Drama and Theatre Studies department had another fruitful year with many exciting events happening across the Year Levels. Many thanks to Loreta Murphy, Stephen Irving and Amanda Kidson-Page for being a constant source of inspiration and guidance in the classroom.**

Not only have they challenged our budding young performers to step outside their comfort zones but also

helped our less confident young men find a voice and means with which to express themselves. Thanks also to our ever-accommodating Maintenance Staff for listening to our impossible ideas for sets and then building them anyway. The Performing Arts at St Bede's College is going from strength to strength and the staff are excited about furthering this next year — a number of new initiatives are on the way.

*Year 7 Storytelling Workshop*

*Year 9 Drama Rehearsals*

# OUTDOOR EDUCATION

# ENGLISH

**As a compulsory subject, all St Bede's students undertook at least one type of English in 2018, and each level of English offered its own insights, challenges and successes.**

The English Learning Area's ongoing and close relationship with the Resource Centre ensured that students were well equipped for extending their reading and research needs. Regular RAD classes provided our Years 7-9 students with endless choices for wide reading. As part of this program, we welcomed authors Robert Newton and Tristan Bancks for thought-provoking talks, as well as hosting a writing workshop with Tristan.

Initiatives like Public Speaking and Debating ensured our students had opportunities to enhance their oral presentation skills both in and outside the classroom. New online platform Education Perfect saw our Junior students improve their literacy, grammar and punctuation skills.

Our Senior students continued to develop newly introduced comparative writing skills. This was assisted by an engaging incursion by Complete Works Theatre Group who sparked comparative discussions about *Year of Wonders* and *The Crucible* through their theatrical performance of selected scenes from both texts.

We would like to show our gratitude towards our students for the grit they have demonstrated towards their English studies. Also, thanks to our dedicated English, Literature, English Language and Foundation English teachers for their tireless work in helping our students achieve their best.

We are eager to see what the future holds for our students as they journey to, and make meaning from, their next English adventures and beyond.

**KALLI DIMITROKALIS AND ROBYN KENSLEY**

## Year 12 English

VCE English has been a challenge and a rewarding experience. From

studying film, to analysing and comparing texts, as well as argument and persuasive techniques, English pushed us to extend our critical thinking, and to expand our views, and interpretations of texts and the ideas and issues they present. Not only has English been able to improve and strengthen our literary skills, but it enabled us to develop a deeper understanding of the world and its people.

*By Liam Gracias*

## Year 11 Literature

We have studied diverse texts and narratives, including Ancient Greek mythology, Shakespearean plays, and even contemporary pieces of Australiana such as Jasper Jones and the ABC miniseries *Barracuda*. The most enjoyable aspect of the set curriculum was the creative assessment we completed earlier this year. This subject demands creativity, and the broad variety of texts encourages us to engage our mind and discover new worlds of enthralling literature.

*By Flynn Hams*

## Year 10 English

We kick-started with the classic film *The Shawshank Redemption*, which taught us to "get busy living or get busy dying". The Issues Oral Presentation is often a very daunting part of English. We could choose any topic we deemed interesting, relevant or felt affected by. This included topics like fossil-fueled vehicles, Bitcoin, artificial intelligence and one-punch laws. Also, we began studying a range of short stories from *A Stack of Stories*. We studied two short stories and compared and contrasted the ideas in each. Year 10 is the last year that everyone completes mainstream English. Next year, we have the options of Language and Literature for students to choose what is best suited for them.

*By Liam Collins & William Bunn*

## Year 9 English

We had the opportunity to hear from, and participate in a workshop with, author Tristan Bancks. Tristan helped us to become better writers by explaining

some of his favourite techniques and ways of making his writing come alive for readers. He talked about creating stories out of real life experiences just like he had done with his novels. Other students participated in the Brother Quentin O'Halloran Public Speaking Competition and completed both prepared and impromptu speeches in front of the whole year level. This can be quite daunting but you definitely get better with practice.

*By Lachlan Doyle*

## Year 8 English

We started the year with a creative narrative about an op shop item. Our essay was on the novel *Runner*, which was about Charlie Feehan who lived in the Richmond slums of the 1920s. We used our growing descriptive language to write a narrative about a picture prompt, trying to implement this new skill in our storytelling. In our second attempt at an essay, we studied Anh Do's *The Happiest Refugee*. The final oral presentation was on a famous photo that captured a certain moment in time. We also completed Education Perfect tasks, which taught us various English skills such as Language Conventions and Reading Comprehension.

*By Anton Cipin & Owen Grasso*

## Year 7 English

This year, for the first time we did an English essay on any kind of book. I did not know what to do because I thought those were only done in Year 12 but I think I did well. I definitely found the essay to be the hardest. When I heard that it was a 400-500 word essay I was shocked, thinking how am I going to write this? Well, I did do it and I was the first to finish, which felt amazing. I honestly felt like doing another one.

*By Thomas Marani*

**"A mathematician, like a painter or a poet, is a maker of patterns. If his patterns are more permanent than theirs, it is because they are made with ideas." – G.H Hardy**

We at St Bede's College want our students to strive to be mathematicians of the future. We try hard to provide students with access to important mathematical ideas, knowledge and skills that they will draw on in their personal and work lives. As lifelong learners, we try to impress on them the importance of simple maths concepts through to more complex ones, understanding that their needs will be different as they make their way in the world. We hope they understand the value of the 'patterns' in their life.

**VIV DITCHAM AND BEN WILSON**

## Year 11 Mathematical Methods

We chose to do Maths Methods 'cos' we saw it as a 'sine', to further ex'tan'd our knowledge. Methods is completely different to any other subject we have chosen before, as it shows that in Mathematics there is often much more than one way to get an answer. Methods is a great subject to choose because it opens up many opportunities in the future, as it is a very common pre-requisite in higher education. Methods has given us the power to understand many mathematical concepts and realise their applications in the real world. I highly recommend taking on the challenge of Maths Methods; although it may seem intimidating at first, the end result is well worth it.

*Ben Ngo and Gus O'Toole 11*

## Year 12 Further Mathematics

As Further Mathematics is one of the most popular subjects in the VCE, it is evident that mathematics is a necessity and baseline for all areas in life. In Further Mathematics at St. Bede's College, we cover data analysis,

which is extremely useful to understand as it is applied in a wide range of university courses, from humanities to the sciences. We also cover financial mathematics, which is a very important life skill. All adults across Australia have to deal with finances, whether it be taking out loans, investing their savings or other financial related areas. We are thankful that Further Maths has covered this as it solidifies financial knowledge and rational thinking. Finally, in Further Maths we study networks and matrices. The twenty-first century has seen the fastest technological advancements in Australia's history. The implementation of matrices and networks in our coursework helps to build the foundations and knowledge of basic computing algorithms and encourages the development of critical thinking. Overall, Further Maths has been an extremely satisfying and fulfilling subject. Any student undertaking VCE should seriously consider Further as the knowledge and skills learnt can be transferred to both university and adulthood.

*Linh Do and James Van Corler*

## Year 9 Enrichment

Would you trust your life to a rubber band tied around your feet?

As part of the study into practical applications of Linear Relations, the Yr. 9 Enrichment Maths class recently investigated the linear properties of a "Bungy Barbie" where some of Mr Reidy's favourite toys were tied to a series of rubber bands (bungy cords) and flung off the overpass towards their certain doom.

Based on a small sample of in class tests, the groups developed a scatter graph, then a linear relation and used this to predict the required number of bungy cords for a given height. This was a practical application of using linear relations to make predictions.

*PT Agoras*

## Year 8 Advanced

*The Hailstone Theory*

One of the topics in extension maths group is the hailstone theory. This theory requires you to divide even numbers by two and if it was odd you multiplied it by three and added one. This theory will always end up on the number one. This theory is really interesting and can get confusing but it was great.

*Nick Johnstone*

## Pi Day – Year 7 Mathematics Activity Day

On 20 July, Year 7s participated in Pi/Math Day. The day was full of fun activities that tested our patience and mathematical skills. The activities were the Amazing Race, trivia, Numbers and Letters and a maths relay. After getting a free pie and taking a break, we all sat in the auditorium for the guest speaker, 'Professor Humphrey St Paul' who looked suspiciously like Mr Wilson. We then had the pi reciting competition, with the winner reciting 83 digits of pi. In the end, 7.9 won Pi Day 2018 and won free cake and a coke, along with a trophy. There were also mystery prizes for the individual groups with the best scores in each activity, which the rest of Year 7 students never found out what the prizes were.

*Austin Warfe*

## Pi Day – Year 7- Pi Recitation Competition winners

Winners of the Inaugural Pi Recitation Competition 2018 were from Left:

1st Place Austin Warfe, 2nd Place Heath Williamson, 3rd Place Xavier Mauverhofer, 4th Place Kai

*Carrigan*

**The study of a language other than English contributes to the overall education of students, most particularly in the area of communication, but also in the areas of cross-cultural understanding, cognitive development, literacy and general knowledge. It provides access to the culture of communities which use the language, and promotes understanding of different attitudes and values within the wider Australian community and beyond.**

The Department of Education believes that learning languages broadens students' horizons about the personal, social, cultural and employment opportunities that are available in an increasingly interconnected and interdependent world. Learning languages also extends literacy repertoires; contributing to the strengthening of the community's social, economic and international

development. Learning languages also develops intercultural capability and understanding of how culture shapes and strengthens intellectual, analytical, and reflective thinking.

The Years 7 to 10 language students at St Bede's college acquire communication skills in Italian, French and Indonesian. Students develop understanding of the role language and culture plays in communication,

including the relationship between language, culture and learning, and develop intercultural capabilities.

This year, all our language students have been learning different topics and participated in different activities during International Study Tour, excursions and incursions, and students have developed their communication skills.

Almost all language students have participated in the World and Victorian Language Perfect Competitions. Our school achieved better results than last year, a total of 93 awards – two Emerald Awards, three Gold awards, seven Silver Awards, 25 Bronze Awards, 56 Credit awards and a Teacher award to Astrid Dux. Well-done everyone.

## Indonesia Study Tour

Over 31 March to 9 April, 15 students and three teachers participated in the International Study Tour to Yogyakarta and Bali. Students and teachers immerse themselves in language and culture through opting for the Language Study Tour. The objective of these tours is to focus on personal development through the study of language and culture, as well as to prepare students to meet challenges by contributing to an evolving and interdependent global community. Language is key to a global mindset.

## Model United Nations

The participation of our VCE Indonesian studies students in the Indonesian Model United Nation Conference at Treasury Theatre showed that our school is committed to actively training young people in global thinking. The model UN conference underpinned key learning areas of the Victorian Curriculum. All the delegates debated the resolution and its clauses, expressing their country's views and seeking the views on the topic of *Achieving Gender Equality: Empowering Women and Girls*. St Bede's delegations successfully delivered their tasks.

## Michael J concert

An audience of students and teachers from Rosebud Secondary College, Elizabeth Murdoch College, Camberwell Grammar, St James College and St Bede's College were treated to a glorious concert by Michael J, Tony and Deon. It was very entertaining, enjoyable and fantastic to watch all the students dancing and singing. A fabulous effort by all involved. Students' favourite songs were *Salam Salam*, *Aku bosan*, *Yogyakarta Love Story* and *Indonesia Raya*.

## Indonesian Film Festival

Years 8 to 11 Indonesian students participated in the Indonesian Film Festival - *Sekala and Niskala*. These movies helped our students gain a better understanding of symbolism used in the stories and a deeper knowledge of Bali's culture. After the

viewing, students tasted a traditional Indonesian lunch and practiced their Indonesian with the waitresses, then completed a task at the Indonesian Supermarket. Students understand the role of language and culture in shaping and conveying cultural identity, including the multiple languages and cultures both in Indonesia and in Australia.

## French Studies

In July this year, three French exchange students from Bordeaux were welcomed to St Bede's College. They stayed with their host families for one month. We also took them to Cypress Lodge at Phillip Island for two days. They had the fabulous opportunity to immerse themselves in the Australian culture and language.

Three of our year 12 French students will be able to visit Bordeaux next year and experience the French culture.

**ASTRID DUX**  
LOTE Learning Area Leader

# HEALTH AND PHYSICAL EDUCATION

## A focus on the Middle Years

The reason as to why I found Year 10 Health so fascinating, interesting and want to continue the subject into Year 11 was because there were a lot of different aspects of the subject that I felt were beneficial for all ages.

I learnt a lot about the many decisions that a lot of teenagers have to make when at parties and hanging out with mates. We have to choose to make smart choices when offered illegal substances like alcohol, drugs and cigarettes.

I also learnt how people with L and P plates have to minimise or get rid of possible distractions that can cause danger to the driver and their passengers. A lot of the time, when young people get themselves into danger it is due to peer pressure and making dumb choices.

We also learned about different diseases and mental health issues like Asperger's Syndrome, Autism and Schizophrenia.

In addition, we had quite a few opportunities to go to the gym and to practise routines that can be beneficial to your health.

To cap off the year, we learned about the parts of our brain and body that can be harmed when consuming different substances and undertaking different activities. I enjoyed studying Health a lot and I am sure that in Year 11 Health and Human Development I will learn more about these topics in even more depth.

## CAMERON DOOLEY

Year 10

## Year 9 Health and Nutrition

In Year 9 Health and Nutrition, we have been studying the reproductive system and the different methods of contraception as well as sexually transmitted infections and other bacterial infections you can get.

## JOSHUA CROUCH

Year 9

I did Physical Education: Fitness and Training in Semester 1. I have always really enjoyed exercising so learning about what goes on in the body when you do certain activities was something I found very interesting. I also enjoyed creating a comprehensive weekly training routine designed to improve aspects of our fitness. I also found my routine to be really helpful and effective so I have continued to implement it. To summarise, the theory was extremely interesting and engaging as we covered a broad range of topics. The practical aspects were challenging and fun. We participated in multiple sports and exercises, from basketball to weights, all while learning about how these activities affect our bodies.

## NATE LE-VIN

Year 10

Year 10 Outdoor Education is a unique subject where you go on fun excursions with your mates around Melbourne. You could be climbing a ten foot wall at Bayside Rock Indoor Centre or at Queenscliff swimming with dolphins. We also complete rock climbing, snorkelling, canoeing down rapids, sailing at Sandringham Yacht Club and Tree Surfing. Before completing these activities, we discussed the dangers and risks of the upcoming activities and research where you are going and what we are doing. You find out all the history of some of these places in Melbourne. The four topics you study in the class are Outdoor Skills, Port Phillip Bay, First Aid and the Yarra River. At the end of the Semester you complete a semester exam. Overall, Outdoor Education is a fun filled unique subject with your friends and I would recommend doing it if you have an interest in the outdoors.

## GABE FINNEGAN

Year 10

In Year 9 Science of Sport, we focus on the skeletal system and all the scientific names to bones and how they all work together, as well as looking at what bone marrow is and how it effects our body. We also looked at the muscular system to understand what a muscle is made up of. We also studied the circulatory system and then do labs, which investigates our heart rate and how it changes during exercise.

## ANTHONY SOTOS

Year 9

The good things about Year 9 Ball Sports is that we got to play, improve and experiment with different sports. I enjoyed playing ball sports and I found it fun competing with my friends in class. It also gives me an opportunity to take part in physical activity, which is good.

## MICHAEL SCHNEIDER-LOOS

Year 9

In Year 9 Racquet and Bat Sports, we played sports like Softball, T-Ball, Cricket and Lacrosse. We started the Semester doing Fitness Testing. After that finished, we went into the classroom to do theory where we learnt DRSABCD, a method to follow when someone is unconscious. We had to complete an assignment on this.

## JACKSON MCNAMARA

Year 9

**This year brought new experiences and a new school. There were lots of new things that happened as we began Year 7 at St Bede's College. Everyone was excited for the first day. When Mr Honan arrived we knew it was time to get ready. There was a mix of uncertainty, excitement and nervousness as he spoke into the microphone. It was interesting to look down the line of my homeroom during the Morning Assembly to see all the new faces. As soon as lineup was finished it was time.**

When we first arrived at St Bede's, only a couple of faces were known to us but as soon as we went on camp we knew everyone's name immediately.

Camp was pretty much everyone's highlight. Camp included activities such as snorkeling, bodyboarding, boogie boarding down Kilcunda Sand Dunes, walking down Rhyll Boardwalk, playing beach cricket, watching movies, playing table tennis, morning walks, bowling and much more. Camp was definitely the most fun week of Year 7.

On 23 March, all students took part in a 10km walk to Ricketts Point and back. About a month before the walk, everyone was given sponsorship forms to raise funds for the walk. Funds raised supported the group of boys and teachers that went to Thailand and built houses for poorer communities. After we finished the 10km walk, St Bede's provided a free lunch, rides and other activities. The activities included bubble soccer,

haunted house and sumo wrestling. Mission Action Day was another highlight of the year.

Pi Day was a day full of mathematical activities. One of them was the Amazing Race. It was probably my favourite bit of the day and involved reading QR codes, measuring angles, diameters and even making a human pyramid. In Period 5, we gathered in the auditorium to watch mathematician magician Mr Wilson. We also found out the winner of Pi Day 2018, which was 7.9 – Mr Meade's class. We also had a competition between students about who could recall pi to the most decimal places. The winner was Austin Warfe from 7.5.

Each term, St Bede's competes in ACC sport. ACC stands for Associated Catholic Colleges. St Bede's competes against many teams, even against our

# YEAR 7

partnering school De La Salle Malvern. In Term 2, there was Football, Term 3 was Table Tennis, Hockey and Basketball. Term 4 sports were Cricket, Volleyball and Tennis. All these sports are played on Thursday afternoon from Period 4 onwards. The sport starts with a group of boys trying out for a spot on the team. Depending on everyone's skill, the coach will choose who are the most suitable players for their team. When I heard about the St Bede's band program I was dying to try out. Although we had to get up earlier than usual it was worth it. I tried out for multiple instruments,

and got the tenor saxophone, which was my first preference. When I had my first band lesson, I thought it was amazing. Our first concert was in Term 2 where we played two songs. Performing was a bit nerve-wracking but it was all worth it. Band is a really fun experience that teaches you a lot about music. I would recommend it to anyone who likes jazz or any kind of music at all. It is a great way to get into music and meet more people like you.

Being part of the band also means you have your own lessons. The lessons will take part during school periods and you would take

the lesson with two or three other people, depending on your instrument. The lessons are 30 minutes and you practice songs you play in band. The lessons and the band program were great fun.

Year 7 has been a very fun year. All the activities were awesome. It has been a great year and an awesome way to start high school. We all hope school can get better or stay as fun as Year 7.

# YEAR 7.9

**2018 has travelled along very quickly. It has been a fun yet challenging year for all 252 Year 8 students.**

Although the year level is split up into nine Homerooms, it is an exciting experience when the classes all come together for a House sporting event. We then divide into four Houses: Benilde, La Salle, McCristal and Solomon. Here at St Bede's College, we cover a range of sports. The House sports are Athletics, Swimming and Cross Country. In 2018, Benilde took the winning flag home in Athletics. But the thirst for victory didn't stop on that day. The Swimming carnival was filled with tension and each team was stretched to reach the top of the leaderboard. When final results were announced, La Salle had taken the winning position for pool events. With the final event of House Cross Country closing in, tension was high amongst the year level, each student defending the pride of their House

colours. This time it was going to have to be endurance and skill that would determine the winners. The race was close and there was little distance between 1st, 2nd and 3rd runners. The overall winners of the House Cross Country were McCristal. Each House group walked out proudly knowing they put up a tough competition in every event throughout the year.

The ACC competitors put it all on the line for our school colours. The Beda spirit shone through. All Year 8 students had the opportunity to try out for the Football, Soccer, Tennis, Table Tennis, Basketball, Cricket, Volleyball, Chess, Hockey, Swimming, Sailing, Cross Country, Public Speaking and Debating teams. The aspiring athletes came back from all margins with determination, perseverance, and represented St Bede's well, with many teams winning the prestigious premiership flag. The debaters and public speakers demonstrated their courage and confidence to get on a

stage and give their opinions on topics with all eyes on them. Overall, ACC competitors have done our school proud.

Camp was a great time to hang out with old and new friends. It was held in the newly renovated Cypress Lodge at Phillip Island. The pool and table tennis room was the usual hangout spot if you could find time in between all the action-packed activities. All students came across a challenge they felt uncertain about but everyone found a way to face the challenge and achieve their personal best. The groups participated in a range of activities, including surfing, bike riding, rock climbing, underwater hockey and much more. Thanks to Mr Strom and Mr Anderson for taking all the Year 8 Homerooms on camp and once again doing a fantastic job.

Another event that everyone enjoyed were the incursions, excursions and special events that we have had this year. Every class visited the Vikings

# YEAR 8

exhibition at the Melbourne Museum. We also learnt more about the history of Judaism at the Jewish Museum. The students studying Indonesian had the opportunity to see the Michael J concert leaving everyone in the audience demanding more. Mission Action Day and the Avengers movie night were some of the special events we held for our ongoing support of the Thailand and Indonesian Outreach Programs.

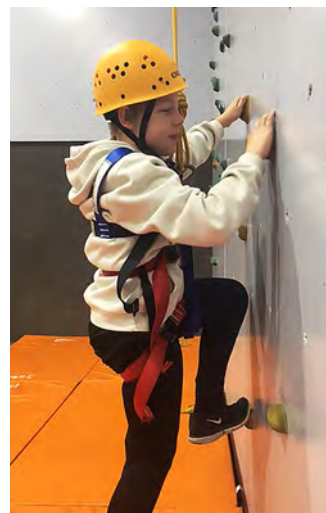

Reflecting on our time in Year 8, we look back and recognise a great year full of memories. Our Year 8 experience from Transition back in November 2017 to the final day in our classrooms in November 2018 has been a busy 12 months. Thank you to all the teachers and students that made it so great. We'd especially like to thank our Homeroom teachers for making life a lot easier in Year 8. In particular, we thank Mr Freeman (8.1), Mr Hoult (8.2), Mr

D' Cruz (8.3), Mr Devlin (8.4), Mr Shannon (8.5), Mr Thomson (8.6), Mr Nguyen (8.7), Ms Matthews (8.8), Mr Davis (8.9) and finally a very big thank you to Ms Moloney for challenging us to be the best we can be and for her great care of each individual in the year level.

# YEAR 8.9

***“The turning point of our lives” is how I would describe our Year 9 experience. It was the last year spent together as a cohort before we focus our attention towards the Senior School. It is an experience where we were challenged to expand our horizons to new elective subjects beyond core ones like English, Mathematics, Science and Religion. Our collective relationships have been strengthened with events like ‘iCity’, productions and sports.***

The year kicked off for Year 9 in an exciting way with our Swimming

Carnival showing the abilities of our best athletes. Not only were we challenged in the water but we showed off our performance skills in the annual St Bede’s production – *Grease*. I was involved in this, and from my perspective, it was a blast. It included boys from across the year levels as well as students from Kilbreda College and Mentone Girls’ Grammar.

As our mid-semester exams approached for the 1st time, we experienced nerves, but all Year 9 boys succeeded in doing their best. After countless hours of study, we are very proud of the results.

Year 9 men also took on leadership

positions within extracurricular subjects. In the annual Brother Quentin Public Speaking Competition, we stood proudly and spoke with deep meaning to convince the audience about our chosen subject. All received a well-deserved round of applause.

Throughout the year, our ACC sporting success has been exemplary with titles in Football, Basketball, Athletics and Cross Country. Extreme pressure was not only on the boys competing on game day, but to also take part in trials, training and school work.

The Year 9 boys, or should I say, young men, also experienced an iCity trip, which tested our responsibility and maturity. We had to locate 16 key

# YEAR 9

landmarks around Melbourne CBD. This trip gave us not only the confidence to be out in the city but also to create friendships that will last an eternity.

We loved our sports and hands-on tasks. This year saw the creation of our new St Bede's Technology and Design Labs. These labs arguably motivated more Year 9 students to take Metal Technology, Woodwork, Game Design and Coding

as elective subjects. With these subjects, boys had a taste of what could be possible career paths in the near future.

Some highlights from other students included:

"iCity was really fun, even though we were absolutely lost half the time."

"I think we all learned something not about ourselves necessarily, but about how we work with one another"

"By far my highlight was making a masterpiece in Art."

Thank you to Mr Geoff Harrison for his tireless hours spent working to make us into better men. Thanks to each one of our Homeroom classmates and our teachers for their commitment in times of celebration and need. Also thank you to all students for a great year.

# YEAR 9.9

Year 11 Geography Kinglake

**History and Geography students of all year levels have had a very engaging year, attending a number of excursions and fieldwork activities throughout 2018.**

During Term 3, Year 8 students visited the *Vikings: Beyond the Legend* exhibition at the Melbourne Museum. Students had the rare privilege of viewing genuine Viking artefacts that have been on loan to Victoria from the Swedish History Museum in Stockholm. Some of the relics included swords dating from 700-1100CE, jewellery, clothing, household tools, ceramics, game pieces, bones and musical instruments. The definite highlight for the students was viewing the *Krampacken*, a replica of a nine-metre Viking merchant boat found in Gotland Island in Sweden in the 1920's.

Year 10 History students also visited the Melbourne Immigration Museum and the Jewish Holocaust Centre. At the Holocaust Centre, students had

Year 8 History Longships

the unique opportunity to listen to the experiences and reflections of a Holocaust survivor which was a very moving experience for all who attended.

Years 10-12 Geography students have also undertaken extensive fieldwork activities visiting areas such as Kinglake, Cape Schanck and Phillip Island. Fieldwork plays a very important role in Geography, as it allows the students to apply their skills in a practical context.

**LAURA MCCORMICK**  
*Learning Area Leader (History and Geography)*

Year 12 Geography Fieldwork Phillip Island

Year 11 Geography Fieldwork at Cape Schanck

Year 10 Excursion to the Immigration Museum

Year 10 Students at the Immigration Museum

Year 11 Geography Fieldwork Cape Schanck

## STUDENT REFLECTIONS

### YR 10 History – Flynn Morley

Midway through term 3, year 10 history students were fortunate enough to travel to the city on an excursion to both the Immigration and Holocaust museums. Each institution greatly complimented our learning in class and offered us an invaluable insight into different periods of history. Our experience at the Holocaust museum was particularly meaningful; when we were given the privilege of listening to a Holocaust survivor describe her life during World War 2. The experience made all present even more aware of the horrifying events of the period and its lingering impact in the lives of many.

### Yr 10 History- Jack Pooley

This year, Year 10's had the privilege of attending both the Immigration museum and Holocaust museum.

Our first stop was the Immigration museum, where we discussed the different waves of immigration to Australia throughout our history. We were then allocated time to browse the museum, with many different cultures from different time periods on display. Later, we travelled to the Holocaust Museum, in Elsternwick, where we met with Holocaust survivors. We were provided a tour of the museum, demonstrating the history and struggles many individuals faced within Europe from 1933-1945, as well as the following years after the conclusion of the Second World War, as their homes and livelihood had been tragically destroyed. Afterwards, we met with Holocaust survivors, who shared their stories from one of the darkest and most oppressive eras in history. It was an honour to listen to and meet with such people, as young people today will be the last generation to meet with Holocaust survivors.

# SCIENCE 2SCIENCE

**It was a successful year for the Science Department at St. Bede's College. We are always looking to celebrate achievement and interest in science and this year was no different as we had a number of wonderful events going on. It was great to see many fantastic results from our 2017 VCE Science subjects. Excellent study scores were achieved by many students who completed one or more of Biology, Chemistry, Environmental Science, Physics, or Psychology.**

In May, over 100 keen science students from Years 7 to 10 competed in the Big Science Competition, designed to test their science skills and understanding. Whilst every one of those students did an amazing job there were three results that really stood out – Sam Anthonisz (7.4), Ben Uehara (9.4) and Flynn Morley (10.35). All achieved the result of High

Distinction, which put their score in the top 5% of all students competing. Well done to those three students, as well as all of the other students who competed.

The Science Department also celebrated National Science Week in mid-August. The theme was 'Game Changers and Change Makers'. It celebrated innovators throughout our scientific history. There were a number of different activities where students could get involved and share their interest in science including:

- The Daily Science Quiz where all entries that scored five or more out ten went into the daily raffle for a great prize – the five winners were Patrick Bouvier (9.3), Bailey Lawson (9.7), William Shepherd (7.3), Martin Buljat (11.9), and Harry Enticott (9.2). Well done to all who got involved and showed their excellent understanding of all things Science.
- Students from Years 7 to 9 had the chance to participate in a Science themed Kahoot with Dylan Homa

(7.3), Will Both (8.1), and Tobias Moews (9.3) coming out victorious. Congratulations to all students who competed.

- A number of high achieving Year 11 students completed the Australian Science Olympiad exams for Biology, Chemistry or Physics – well done to Rhys Bennett and Josh Dias (Biology and Chemistry); Gus O'Toole and Jarrod Pearson (Chemistry and Physics); Dillon Bulman (Chemistry); Matthew Keating and Jack Hodgkins (Biology); and Lance Miranda, Martin Buljat, Patrick Smith, Patrick Howell and Tom Skehan (Physics). The calibre of students completing these extremely difficult exams shows that the future of St. Bede's in Science is in good hands.
- A group of Year 12 Science students were invited to Kilbreda College to compete in a Science Week quiz. Whilst the girls came out victorious, the boys did St Bede's proud – well done to Fraser Nicholson, Kye

Worland, Ronel Lumapas, Cameron Butts, Josh Farrington, Isaac Marshall, Will Gibbins, Gus Mooney, Nathan Lao, and Martin Haycroft.

- There was also a visit from Dr James Driscoll from Monash University to talk to interested Years 9 to 12 students about careers in science which

was very well received – thank you to Ms Greaves for organising this great event.

Overall, St. Bede's was buzzing with science during National Science Week. There was something for everyone to be involved in and we are already looking forward to next year.

Thank you to all of the dedicated staff

in the Science learning area who continue to prepare our students for the world outside of St. Bede's. A big thank you also to our Lab Technicians, Nicki and Priyanthi, who keep our labs running smoothly for the students to learn in and enjoy.

**BRENDAN FORDHAM**

*Science Learning Area Leader*

## BELOW ARE SOME STUDENT REFLECTIONS OF THEIR YEAR IN SCIENCE – ALL OF THE TEACHERS WORKING IN THE SCIENCE DEPARTMENT ARE LOOKING FORWARD TO ANOTHER SUCCESSFUL YEAR IN 2019

### The most interesting thing I learnt in Science in 2018 was...

...how Science is able to benefit people and the discoveries made today – **Justin Carino (Year 10)**

...how forces are always acting on everything – **Sam Anthonisz (Year 7)**

...the evolution of animals and how natural selection works – **Sam Murray (Year 10)**

...learning about Biology and cells; looking through microscopes and learning how the body works was very interesting – **Tye Kealy (Year 8)**

...the way the Periodic Table is organised and how the atoms of specific elements have a unique number of protons – **Lucas Plottier (Year 8)**

...how ions differ from elements – **Sam Valentine (Year 9)**

...learning about genetics and what makes us, us – **Lachlan Young (Year 10)**

### The most enjoyable part of Science in 2018 was...

...designing and launching rockets to study physics – **Flynn Morley (Year 10)**

...doing Chemistry practicals and seeing things appear out of nothing – **Tye Kealy (Year 8)**

...playing and experimenting with magnets and iron filings; we learnt about the Earth's magnetic field and how it protects us from harmful UV rays – **Nathan Murphy (Year 7)**

...being extended in the accelerated VCE program in Biology and learning about inheritance and cell structure and function – **Liam Collins (Year 10)**

...completing an experiment on how different variables affect the movement of a toy car – **Sam Anthonisz (Year 7)**

...when we all had fun with the electrostatic generator – **Thomas Edge (Year 9)**

...completing practicals and group work where we worked together as a team – **Romolo Esposito (Year 8)**

## **The start of a new year is always an exciting time in the Music Department.**

We have boys returning from the holidays with new instruments and everyone looking forward to learning new music that has been put into folders. Performances start immediately with the jazz ensemble and wind symphony presenting concerts to the incoming students to demonstrate the instruments that can be selected in our band program.

As an added dimension to the music offerings at St Bede's, we introduced a junior vocal program that runs on a similar model to our band program. Students have the opportunity to attend a group lesson with our Vocal Instructor Walter Saluni. These students also

attended rehearsals and performances with the jazz vocal group. We hope to build on this successful beginning as we move into 2019.

After this initial burst of activity, we settled down to preparing for our next series of performances which were held between March and May.

The jazz ensemble and jazz vocal groups attended a rehearsal camp at Cypress Lodge to prepare their music for the Generations in Jazz Festival.

The Mission Action Day performances included a pop-soul band with a full horn section and four of our senior vocalists. Tunes from artists like Earth Wind and Fire, Daft Punk, Bruno Mars and Justin Timberlake were featured in their set. Another group of musicians also contributed to the small liturgy held

on the day through their performance of *Lean On Me*.

Unfortunately, it was during this period that our Music Department colleague and friend Mr Cameron Fellowes lost his courageous battle with leukaemia. Cameron was an excellent musician and teacher who cared for all members of the St Bede's community. He was a gentleman in the truest meaning of that term.

The Senior Autumn Concert in the second week of Term 2 enabled us as a department to dedicate our performances to Mr Fellowes' memory.

Our Year 12 Music students were featured in this program as they played pieces from their solo and group repertoire. This performance also provided an opportunity for a final

performance from the vocal group and jazz ensemble prior to their trip to Mt Gambier the following week.

Generations in Jazz 2018 proved to be a bigger event than we had ever imagined. While the Director of Music (and conductor of the jazz ensemble) lay in an Emergency Department bed at Frankston Hospital, the musicians and four staff headed to Mt Gambier to perform. The jazz ensemble played three pieces under the direction of Laura McCormick and Walter Saluni who had been busily studying music on the bus trip. Well done to the boys who maintained a business as usual approach and produced an excellent performance. A special mention to Nathan Brookes, Joseph Fiddes and Isaac Marshall who performed solos during the presentation. Nicholas

Looker performed very expressively as the lead performer in the ballad *My Only Wish*.

After the jazz ensemble had packed up, the focus for St Bede's went to the vocal component of the festival. Twenty boys ranging from Year 8 through to a solid core of senior students presented the song *Sh-boom* and the set song *Where do we go from here?* As one of the only all-male groups, the boys brought a distinctive sound to the festival.

It was a huge thrill and a reward for the effort that the boys and Mr Saluni had made, when it was announced that the group had won their division in the vocal competition. This was only the third year that St Bede's had taken a vocal group to the festival and, when

you also consider the depth of some of the vocal programmes in other schools, this was an outstanding result. We are now looking at how we can build on this base as we go forward.

We ended Semester 1 with Instrumental Music Night where our instrumental staff and their students showcased the work that had occurred in lessons during Terms 1 and 2. A particular highlight was the opening item which featured the debut performance of our 2018 Training Band. Alison Bellew conducted the boys through pieces such as *Power Rock* and *The Might of Hercules*. It is always amazing how far the Year 7 boys progress as they move from playing very raw notes to being able to playing full pieces as a cohesive group.

# MUSIC

The focus for Term 3 was rehearsals leading to the ACC's concert spectacular ACCent on Music and performances by our concert bands at the Victorian Schools Music Festival.

St Bedes College's wind symphony, a combined group with girls from Kilbreda College, performed two pieces, *Sea Glass* and *Abracadabra*. The sound of this ensemble has developed greatly across the year and the students were able to present these challenging pieces in a very musical manner.

The Junior Band were also able to show their capabilities in the program

that they presented for the festival. *Camel Train*, *Miracle at Dunkirk* and the *Theme from Jupiter* displayed the students' ability to play music from diverse musical genres.

The ACCent on Music performance was held at Hamer Hall. This event has now been held on three occasions and in 2018, over 400 students including over 50 boys from St Bede's, performed across 11 ensembles including jazz bands, choirs, concert bands and orchestras. A particular highlight, on what was a great night for performers and the audience, was the performance finale *Carmina*

*Burana*, which featured a massed choir of over 300 voices and the combined senior concert band. What a huge and amazing sound. Patrick Smith, one of our Year 11 percussionists, had a great opportunity to play the terrific timpani part for this piece. Peter Robertson, our drum/percussion teacher expertly led the combined ACC drumline during rehearsals and at the concert. This performance was definitely another highlight of the evening for the audience.

As we move into Term 4, Year 12 students prepared and performed their VCE performance examinations

and other ensembles prepared their programs for the annual Music on the Lawn. It was also the turn of the Training Band to perform at the Schools Music Festival.

The Music on the Lawn is a positive end to our year's performance program and gives our ensembles the opportunity to learn and perform music

that is lighter in nature. We were also able to recognise the contribution and commitment of a significant number of Year 12 students who have in many cases been part of the St Bede's program from entering the Training Band in Year 7.

**NEIL HAMBLBY**  
*Director of Music*

# DIGITAL LEARNING

The eLeaders program started in 2013 and aims to enhance the use of ICT within the College. This year there are approximately 75 eLeaders who assist both students and staff through computer training, maintaining the help desk website, student activities, and the development of ICT policy. This year the students have participated in activities such as: a Virtual Reality demonstration, a MAD Day Game competition, PC Building; 3D printing; Networking; New Notebook

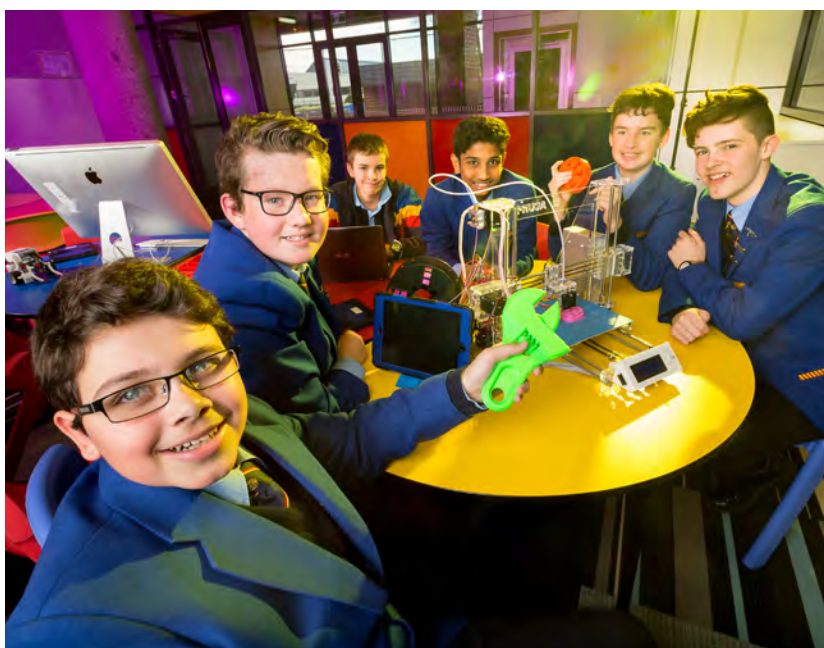

evaluation; Coding sessions on Visual Basic; Kahoot challenges; Teachers training sessions on new technology; and helped set up our newly renovated IT Building. None of these activities could have occurred without the enthusiastic ideas and support of our 2018 ICT Trainee Thomas Hubeek. As a past eLeader captain he was very keen to continue the high standard of support the eLeaders provide.

The eLeader Co-Captains of Malcolm Liddell and Trent Alphonso are owed

a big thank you for their excellent organisation and promotion of the program. They have been eLeaders for many years and are excellent ambassadors for the use of ICT in the College. This year's large team of talented young eLeaders have had fun, learned some new skills, and worked hard to make it the most successful year of the program so far. We thank them for their service to the St Bede's community and look forward to what new innovation they support in the College next year.

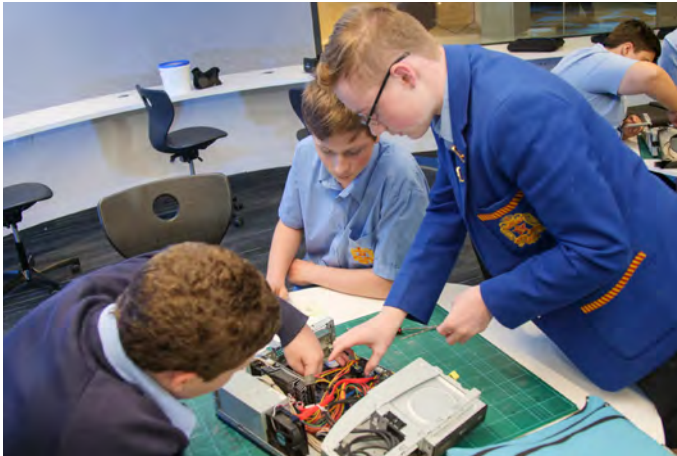

**DAVID CRACKNELL**

*Deputy Principal – ICT and Infrastructure*

# DIGITAL LEARNING

## 2018 eLeader List

### Year 7

Alex Lamb	Jack Marken
Charlie Pewtress	James Davidson
Ethan Gwynne	James Wills
Harrison Russell	Joel Schoorman
Hudson Craig	Joseph Zappala
Justin Samachetty	Joshua Acabado
Kade Homa	Luka Vannutini
Liam Cooper	Lyndon Bulman
Liam Parsons	Massimo Camillo
Lucas Karvonidis	Max Cronin
Marc Russell	Olan Muralidharan
Matthew Balogh	Peter Clough
Michael Martin	Ray Haryanto
Mitchell Brennan	Samuel Valentine
Nicholas Vella	Tobias Moews
Noah Perpina	Tyler Billing
Oscar Russo	Aaron Nowlan
Richard Young	Ben Uehara
Ryan Dudley	Charles Lynch
Thomas Malone	Finnian Tuke
Travis Wellman	Matthew Hannan
William Dwyer	Rocco Pettenuzzo
	Sean Dunne

### Year 8

Hunter Trumble  
James Crellin  
Lachlan Smith  
Ryan Stahlhut  
Blake Fonti  
Jerzi Nunes  
Jordan Rundell  
Max Hutson

### Year 9

Alex Heenan  
Alexander Michaelidis  
Bailey Lawson  
Benjamin Wilson  
Cameron Mifsud  
Charlie Gillam  
Charlie O'Neill  
Chris Moews  
Elijah McEvoy  
George Hill  
Harry Enticott  
Hayden Whitehouse

### Year 10

Justin Carino  
Zachary Blampied

### Year 11

Aaron Arthur  
Dillon Bulman  
Hamish Dun  
Harry Jeffs  
Jeremy Mann  
Joshua Yong  
Lochlan Sharkey  
Massimo Vignali  
Nathan Brookes

### Year 12

Malcolm Liddell  
(Co – Captain)  
Trent Alphonso  
(Co – Captain)  
Wesley Pham  
Lucas Kingsley  
Peter Russell

# CHESS CHE??

## Open Chess – 23 August

All players won at least 4 out of 7 two winning 6 out of 7 matches and for a few rounds we were leading the competition. It was very exciting afternoon with the lead changing with each round. Eventually the competition came down to a countback after the last round and unfortunately, we finished second overall after a countback to the 5th player.

INDIVIDUAL PLAYER RESULTS			
Name	Score	Countback	Placed
Aaron Nowlan	6	33½	2nd
Linh Do	6	29	4th
Joel D'Rozario	5½	29½	8th
Malcolm Liddell	5	33	9th
Jordan Stamatakos	4½	24	27th
Nicholas Nikolitsis	4	28½	34th
Patrick Aurish	4	26	39th
Wesley Pham	4	24½	44th
Rocky Tringali	3½	28	57th

## ACC Intermediate Chess – 10 October

We were unable to field a Junior Team with a majority of our Year 7 students involved with the Grandparent's Day so our Year 8 players played up a division in the Year 9 and 10 Intermediate teams. Our 2018 campaign was a huge learning curve in the higher division. While not successful in the overall competition, most players came away with a few wins. Huge thanks to Mr Phil Devlin who stood in for Mr Shaw at the event to support the team.

## DEREK SHAW

INTERMEDIATE CHESS TEAMS 2018			
First	Last	House	Team
Aaron	Nowlan	Benilde	A
Joel	D'Rozario	McCristal	A
Benjamin	Fitchett	Benilde	A
Will	Devlin	Solomon	A
Slavin	Ben	Benilde	A
Sam	Murray	Benilde	A
Kevin	Truong	McCristal	A

Lachlan	Doyle	Lasalle	B
James	Kalpakoff	Solomon	B
Verna	Marco	McCristal	B
William	Both	Benilde	B
Jack	Dawson	Benilde	B
Lovell	Kurtis	McCristal	B
Galland	Elvis	McCristal	B
Michaelidis	Nicholas	Solomon	B

Team Photo 2018

**This season was a challenging one for us and, like the last, we experienced some significant changes. We changed coach, training venue, lost team members, did not compete in a regular series of regattas and had a day of mixed success at the State Championships.**

Sadly, coach Paul Grimshaw (Will's dad) had to step back a little from his input and resigned from his position. Thank you to Paul for your substantial contribution of time, knowledge and support for the team and I. Thankfully, Jack Bretherton's dad, David, was only too happy to help with his effervescent enthusiasm and wealth of sailing experience, which includes Teams Racing and coaching. Thank you to David for your generous contribution this season.

Last season, Parkdale Yacht Club (PYC) provided valuable support for our team, mostly thanks to Paul Grimshaw, which was much appreciated. The club's close proximity to St Bede's allowed us to train right off the beach. It was sad to leave this club but at Mordialloc Yacht Club (MYC) we had the opportunity to train in yachts of a more consistent standard, as well as allow us to use six yachts rather than only four. MYC has great facilities and is not far from PYC so it was still

fairly convenient for the boys to get to training after school. We are grateful for the efforts of the club to make this move possible.

Sadly, we farewelled Aaron George and, at the end of the season, Phillip George and Captain Harrison 'Dirty Hank' Sly. We wish you all the best with your sailing and all your future endeavours.

Due to circumstances beyond our control, the Middleton Wednesday Afternoon Series (of regattas) did not occur. In past seasons, this has been a wonderful opportunity, providing regular competition and a rich learning experience. It provided a platform for us to implement our training strategies and the match fitness it provided was especially helpful as we prepared to compete in the State Championships.

Despite the great facilities of MYC, training this season was a fairly haphazard affair, the weather played havoc, and we never once had a full team in attendance. As a result, our preparation for the State Championships held at Royal Melbourne Yacht Squadron in March, was hamstrung. We were not fully prepared for the talented opposition we were up against. Things got even worse during the two-day regatta as Ryan Girvan had to pull out and our beloved captain, Harrison 'Toe Cutter'

Sly, sliced open his foot on St Kilda Pier. We were granted permission to borrow a sailor from another team to keep competing (thank you, St Leonard's) but sadly we were never in the running for a place on the podium and we finished in 9th place. Congratulations to all teams for the quality of competition and the spirit in which the regatta was sailed.

Thank you to our dedicated and ever-reliable parents. I am grateful to be involved with your son's sailing and it is a pleasure to share your company at training and regattas. Special thanks to the two families leaving us; the Slys and the Georges. Terry and Catherine George have always offered support for the team. Terry is always eager to jump in and help where required, whether that be providing impromptu theory lessons or helping out on the water. Marty and Sue Sly have also been very generous and an enormous support over their many years of involvement with St Bede's Sailing. They are always happy to lend their RIB (inflatable boat), as well as, transporting our boys to and from training and regattas, and offer advice and moral support. You will all be sadly missed.

**MARK FREEMAN**  
*Sailing Coordinator*

# FORMULA ONE CHALLENGE

## F1™ in Schools

**The pace and success of the F1™ in Schools program continued at St Bede's College in 2018. The focus for this year was Team Propulsion's pursuit to make the World Finals in Singapore by competing at the Australian National Finals of the Formula 1™ STEM Challenge. This was held in Launceston, Tasmania, from 4th March to 9th March 2018.**

Rhys Bennett, Harry Jeffs, Gus O'Toole and Tom Skehan are the members of Team Propulsion. They were crowned Victorian State Champions in 2017 which provided the platform to compete at the Australian National Finals in the Senior Professional Class of the challenge.

In the months leading up to the event, the team worked tirelessly

and professionally to ensure all competition elements, which included designing, testing and manufacturing a miniature Formula 1™ car capable of speeds of up to 80km/h, were completed to the highest standard. Along the way, they also collaborated with many organisations, industry and higher education facilities to source knowledge, funding and various resources. So many skills were developed by the competing students as they problem solved and overcame many challenges.

The level of competition amongst the 33 teams competing at the Australian National Finals was extremely high. Given the demanding nature of the Formula 1™ STEM Challenge which involves more than 10 million school students from 17,000 schools across 44 nations each year, including around 40,000 in Australia, making it to the Australian National Finals was

in itself an extraordinary achievement. Nonetheless, Team Propulsion competed very strongly, enjoying some significant successes along the way including not breaching any critical regulations (one of only 7 teams), being in the lead group of having the fastest car, and narrowly missing out (by half a point) on best verbal presentation. In the end, Team Propulsion finished 7th, narrowly missing a finish in the top 5.

Congratulations to all St Bede's students involved or showed interest in the F1™ in Schools program for 2018! It is always great to see students passionate about the work they undertake and producing results across the fields of engineering, science, finance, marketing and public relations.

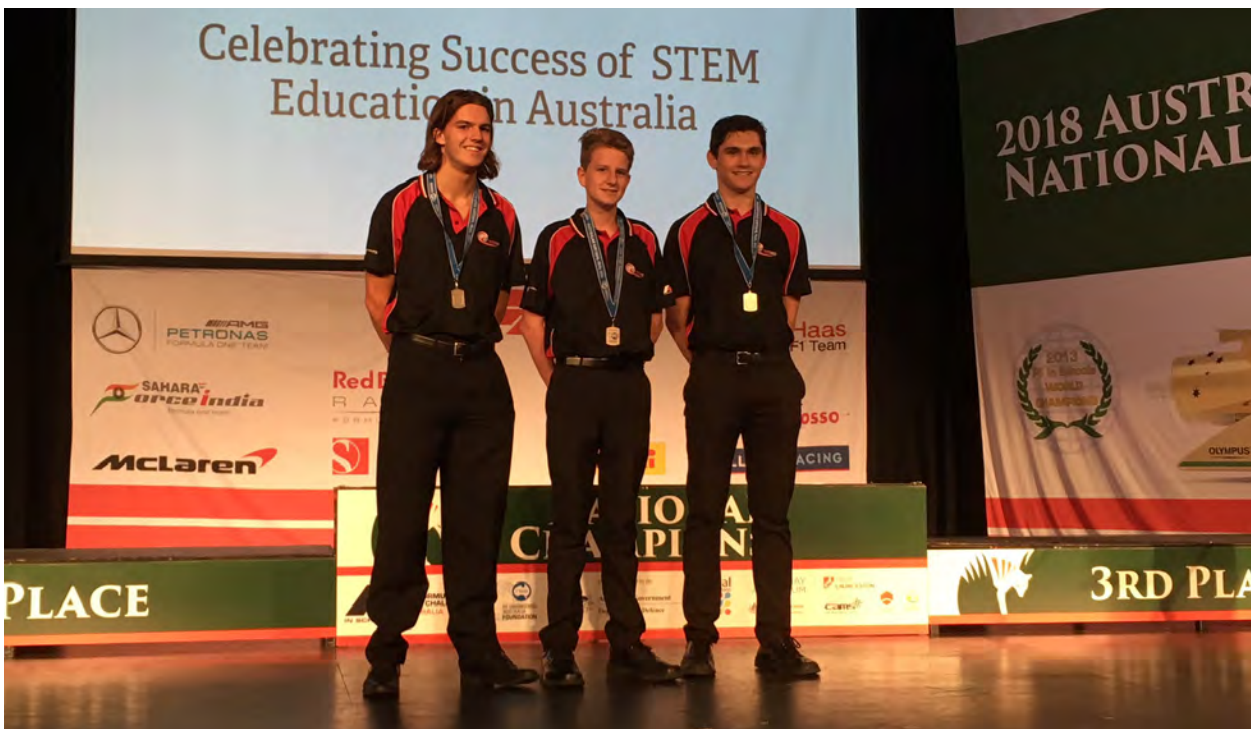

**MICHAEL MICALLEF**  
*F1 Challenge Coordinator*

# FORMULA ONE CHALLENGE

# HOUSE ARTS

2018 saw the biggest, and arguably best, House Arts competition at the College. In addition to Music, Drama, Public Speaking, Visual Art and Debating, 2018 saw the inclusion of the House Short Film Competition, which gave even more students an opportunity to showcase their artistic talents. House Arts are an important part of St Bede's life and contribute to the Beda Shield, awarded to the overall

**Champion House** covering a range of activities such as House Football, Athletics, Swimming and Arts.

I would like to thank all the participants for providing the entertainment, to all the staff who helped put events together, and to everyone who supported the events. I would also like to thank the Leaders for organising the competitors for each House.

**ANDREW BEAUMONT**  
House Arts Coordinator

Place	Drama	Music	Public Speaking	Art	Debating	Short Film	OVERALL
<b>1st</b>	Benilde	Benilde	La Salle	La Salle	Solomon	Benilde	<b>Benilde</b>
<b>2nd</b>	Solomon	McCristal	McCristal	McCristal	Benilde	La Salle	<b>La Salle</b>
<b>3rd</b>	La Salle	Solomon	Solomon	Solomon	La Salle	Solomon	<b>Solomon</b>
<b>4th</b>	McCristal	La Salle	Benilde	Benilde	McCristal	McCristal	<b>McCristal</b>

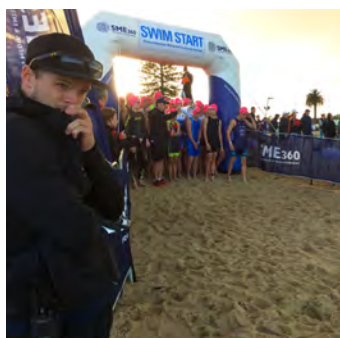

The Triathlon team welcomed several new members for the 2017-18 season with the boys starting training back in June last year. As the season approached, training intensified and the boys built up the skills necessary to compete. The season focus was the Victorian Schools Championship held at Elwood Beach on March 4. This race doubled as the ACC Championship, which the team were determined to retain.

Choppy water met the boys as they entered the swim, which suited most of the team as many also compete in lifesaving. First out of the water was Riley Roberts in the 15-16 year old age group. Riley worked hard on the bike and then ran strongly to finish 4th (1st in ACC). He was closely followed by Harry Bolton who placed 6th (2nd in ACC). The team combined to win the ACC Triathlon Title for the third year in a row.

**CRAIG RADLEY**  
Sports Performance Coordinator

	VIC Schools Championship	ACC Championship
Riley Roberts	4th U16	1st
Harry Bolton	6th U16	2nd
Alec Hende	15th U16	3rd
Declan Dawson	16th U16	4th
Mitch Tsiros	16th U19	6th
Max Cronin	17th U16	7th
Charlie Rogalsky	20th U16	8th

# ACC ATHLETICS

The Athletics season started with our two House Carnivals early in Term 1. The Senior boys embraced this day with their usual flare and competition was fierce for both the individual titles and the House competition. After two days of close competition, Benilde House were victorious, thanks to their domination of the Junior age groups. Below are the individual champions:

Year 7	Name	Points / 100
1	McKean, Sam - McCristal	78
2	O'Leary, Tarkyn - Solomon	70
3	Clarkson, Charlie - Lasalle	54

Year 8	Name	Points / 100
1	Banducci, Mark - Benilde	98
2	Russo, Xavier - Lasalle	80
3	Parker, Lachy - McCristal	76

Year 9	Name	Points / 100
1	Benton, Lochie - Benilde	88
2	Liascos, Jackson - Benilde	78
3	Boyd, Gavin - McCristal	74

Year 10	Name	Points / 100
1	Turner, Jackson - Solomon	98
2	Miller, Joshua - Solomon	96
3	Valenzuela, Mattias - Benilde	82

Year 11	Name	Points / 100
1	Grech, Nicholas - Solomon	100
2	O'Leary, Blake - Solomon	92
3	Lamble, Lachlan - Lasalle	88

Year 12	Name	Points / 100
1	Schultz, Damon - Solomon	98
2	Kelly, Gerard - Lasalle	92
3	Millar, Caleb - Benilde Mpakame, Tinashe - Benilde	68

## Overall

<b>1st</b>	Parade College – 381
<b>2nd</b>	St Bede's College – 265.5
<b>3rd</b>	St Bernard's College – 260
<b>4th</b>	Whitefriars College – 250.5
<b>5th</b>	De La Salle College – 250
<b>6th</b>	Salesian College – 221

After many weeks of training, the St Bede's athletics team arrived at Lakeside Stadium with dreams of winning the ACC Championship. Having come very close over the previous two years, the team believed they were in a strong position to take home the title.

Consistency across all events would be the target of the day with all boys aiming to place in the top three of their respective events. This was always going to be a challenge. Early in the day we were struggling back in 5th on the points table. There is nothing like a challenge to motivate boys. As the day wore on, we slowly climbed the points table. For the past few years, it has been the 4x100m relays that have decided the day's winner. With this in mind, we were determined to finish strongly, and we certainly did this with four of our six teams coming home 2nd.

The run of the day must go to Nick Grech who ran the final leg of our 4x400m relay. Starting 40m behind the Parade College runner, Nick chased him all the way almost passing him in the final 50m narrowly losing out by 0.23 of a second. This determined run by Nick summed up the attitude of the entire team who gave everything they had on the day.

Congratulations must go to the following boys who claimed ACC titles on the day:

- Alex Gibson - U14 1500m
- Nick Grech - U16 Long Jump
- Josh Miller - U16 1500m
- Tom Murphy - U15 Triple Jump
- Lachlan Parker - U14 Long Jump
- Sam Smith - Senior Shot Put

At the conclusion of all events, the team finished in 2nd place overall, which was a fantastic performance. Unfortunately, Parade College were far too strong and a deserving winner.

A special thank you to all staff who spent many hours preparing the team: Mr Fordham, Mr Murphy, Mr Jackson, Mr Martin, Mr Kelleher, Mr Rafferty, Mr Roberts and Mrs Burn.

## CRAIG RADLEY

*Sports Performance Coordinator*

**It has been a big year for the Commerce Department. Various subjects have had great success with some brilliant individual results. There have also been some great competitions in which students have competed capably.**

This year has seen the introduction of the ESSI Money Game for Year 7 and 8. Many of our students showed excellent application in competing against various students from around Australia. We had 65 students compete. While we had no winners, many students finished in the top 50% of students. This is a phenomenal effort considering students have had no experience with this program.

Our Year 9 and 10 students have competed in the ASX Share Market Game. Both semesters saw a turbulent market, which meant that making a profit with an imaginary \$50,000 was quite difficult. Callum Jamieson from Year 10 won the ASX Challenge at St Bede's with the best portfolio for the semester.

We had numerous excursions this year. Our Year 10 Living with the Law group attended the Frankston Magistrates Court to explore the legal process. Year 12 Business Management attended the Yakult factory to explore operations management. Our Year 11 Legal Studies group saw an action packed day of high profile cases at the Melbourne Magistrates Court. Internally, our Year 11 Business Management Group had their Marketing Day which saw them present various marketing plans and ideas on numerous products. They were greeted by Guest Speaker Kylie Gould from MediLaw who explained real world Marketing. Our Year 11 and 12 Politics classes also had the opportunity to meet various Members of Parliament.

We also had some fantastic results from our 2017 VCE group. This includes various students who were Year 11 completing Unit 3 and 4 classes. In 2018, we are excited about what the VCE results may hold. So many students have dedicated many hours of hard work, along with their teachers, to ensure the best results possible.

**MICHAEL KELLIHER**  
*Commerce Learning Area Leader*

# BASKETBALL

Senior A Team

Senior B Team

Year 7 A Team

Year 7 B Team

Year 8 A Premiership Team

Year 8 B Team

Year 9 A Premiership Team

Year 9 B Basketball Premiers

Year 10 A & B Teams

Our first games for the season saw the senior A and B basketball teams struggle to play together against St Joseph's Ferntree Gully at Sandringham Basketball Centre. We were up against a team who were well drilled and had clearly played together before. This was too much for both senior teams to handle, losing twice by double digits. Although the boys played hard, both teams raised the intensity at training the following week. This was evident as both teams came out firing from the tipoff in

Round 2. The A team beat Salesian College by 12 and the B team by 14. Coming into the final game, the A team had a 2-3 record with no way in making finals. Meanwhile, the B team had a 3-2 record and the opportunity to make the finals after a good win over a tough St Bernard's side away. The A team finished the season with a double overtime victory where every player played their hardest for the team in what could have been the last time they represented St Bede's

College. It was good that the A team got to finish the season on a high note. The B team unfortunately lost after a hard and physical game so were unable to qualify for the finals. Both teams finished with 3 wins and 3 losses.

Thank you to Mr Radford for taking the time to coach both teams; it was much appreciated by all the players involved.

**KOBE DAVIES**  
*Senior A Team Captain*

# CROSS COUNTRY

The Cross Country season began with the traditional House Competition with boys across all year groups battling it out along our 3km Mentone Beach course. This race gives the boys a chance to compete against their peers and challenges them to improve their times from previous years. There were some fantastic battles to the line with many sprint finishes over the final 100m. Well done to the boys below who placed in their year level top 3 and also to Solomon House who were the overall house competition winners.

	1st	2nd	3rd
<b>Yr 7</b>	Tarkyn O'Leary	Sam Cormick	Archie Lennon
<b>Yr 8</b>	Alex Gibson	Niklaus Atsis	Niklaus Michelsson
<b>Yr 9</b>	Zac Holden	Josh Maillard	Jake Kovacs
<b>Yr 10</b>	Josh Miller	Riley Roberts	Flynn Martin
<b>Yr 11</b>	Mac Nicholson	Nick Grech	Blake O'Leary
<b>Yr 12</b>	Damon Schultz	Martin Haycroft	Seb Sossa

During September, St Bede's' cross country team made the trek out to Bundoora Park and competed in the ACC Cross Country Championship. After 15 weeks of quality training, the boys were full of confidence knowing they had put the hard work in along Mentone Beach. However, until the gun goes you never know how you will measure up against the other Colleges. Things looked very positive after our under 13 team got off to a great start putting us in 2nd place. With this confidence, the team never looked back. All of our teams placed in the top three. We witnessed some fantastic individual results throughout the day, with many in the top 10. At the conclusion of the Senior race, we were the clear winners with every runner giving it their absolute all. This was a great reward for so many weeks of hard work by the team. Congratulations to our Senior team who ensured the win with a great team race led admirably by James Burren and Seb Sossa. Without the hours of coaching by the St Bede's College staff, results like this would not be possible. Thank you to Ms Guglielmino, Ms Worland, Mr Kelleher, Mr K Rafferty, Mr Lalor, Mr Murphy and Mr Crowley for their continued support of the team.

**CRAIG RADLEY**

<b>U17</b>	Austin Johnston	13th
<b>Senior</b>	James Burren Seb Sossa	4th 9th

# CRICKET

## 1st XI Cricket Journal

This year was filled with much anticipation after the near miss of 2017. We started with a home game against Whitefriars. Things looked very promising after 20 overs, as they were 4-53. Unable to capitalise on some chances, they managed to make 6-122 off the 35 overs with both Ryan Malcolm and Campbell James taking 2 wickets each. Since we knew it was a small ground, the team were very excited to get their first bat of the season and hopefully chase down the total. Things looked very good with opener Campbell James making a quick 30 runs. However, after a mid-order collapse we were unable to make the runs getting bowled out for 110 in 29 overs.

After the disappointing first game loss, we set a total of 145 against Mazenod with Vice-Captain Oisín Gribben top-scoring with 45. We defended our

respectable total with a solid all-round bowling and fielding performance starred by big quick Kane Hutchinson who took 3 wickets to gain our first win of the season.

In Round 3, we set a total of 145 off 35 overs with Campbell making 31 and Ryan making 28. However, they chased our score down in 26 overs, making 6-150, Campbell was once again a standout with another 2 important and economical wickets.

Taking on Parade, Cale Love-Linay made a season high score of 72, contributing to our total off 151 off 20 overs. Proving too much for Parade, we bowled them out for 76 with Campbell taking 3 wickets and Love-Linay finishing the game with 2 wickets.

Heading into the last round of the regular season we played a must win game against old rivals De Lasalle. We positioned ourselves perfectly.

Wicketless on 60 runs but then collapsed to 8-117. In response, De Lasalle chased our total comfortably and only lost 2 wickets as our season came to an end.

Despite falling one win short of the finals, our season was a good learning experience for the Year 11 students. It was also a fun way for Year 12 to finish their ACC cricket careers. Well done to all the 16 boys involved in the 1st XI cricket team. Thank you to Coach Owen Lalor for assisting us this season. You provided us with plenty of experience and taught us many things throughout the season. The boys will be in good stead next year with plenty of Year 11 students showing exciting potential. Superstar Campbell James deservedly made the ACC Team of the Year after many consistent performances.

## CALE LOVE-LINAY AND OISÍN GRIBBEN

1st XI Team

Year 10 Team

## 2nd XI Cricket Premiers

It is with great pride that we can declare that the 2nd XI Cricket Team premiers for 2018.

The majority of the squad remained from last year's Grand Final side and were determined to obtain the allusive flag.

Perfect conditions awaited us at Russell Lucas Oval, Ringwood, against an undefeated Whitefriars side. Whitefriars won the toss, and elect to bowl in beautiful batting condition.

Zac Rattray and Sam Smith opened the batting, leading an early onslaught. Any poor deliveries were dispatched over the fence as Zac and Sam lead the score to 0-50 off 6 overs.

The dismissals of Zac for a quick fire 31 and Sam for hasty 36 afforded out middle order to press their case for runs. Kyle Frenchman, Hamish McCartney, Kai Colella, Jackson Gillespie and Baeden Maurice all played excellent team roles to help push the score to 6-149 off 20 overs.

Confident that the total could be defended, Ed McGarry, Daniel Passante, Tom McCauley, Will Clifton, Michael Bartholomeusz, Hamish McCartney and Rowan Torkington bowled exceptionally well to restrict the opposition to be all out for 111.

It was a great reward for a group of cricketers who had remained to together for two years.

# FOOTBALL

1st XVIII

**After a tough loss in last year's ACC Grand Final, there were many around St Bede's College who were keen to begin the new season as soon as possible. This prompted the beginning of training midway through Term 1.**

The large number of talented Year 11 and 12 students was evident in the difficulty to select a 30-man squad to take on cross-suburb rivals Mentone Grammar in our annual Easter holidays match.

Just prior to the game, the team was informed of a season-ending foot injury to versatile midfield-half forward Adam Forbes. Despite playing without Adam's long locks in midfield, we showed our potential and won comfortably.

After the game, we were fortunate enough to travel to the St Bede's property at Phillip Island where the Year 11 and 12 teams were given time to get to know each other and discuss our game plan.

When the season began, we played against the unknown St Joseph's FTG, who had only joined the ACC competition the previous year. It was a great team performance with Year 11 Ryan Byrnes and Luke Garnaut

showing they were not intimidated by the step up to First XVIII. Kyle Yorke proved his dominance in the forward line kicking a bag of seven goals. We ran away 72 point winners but the victory was clouded by a season-ending shoulder injury to Luke.

The group was happy with the win but knew there was plenty of room for improvement as we headed to the reigning premiers St Bernards' College 'Snakepit' the following week.

There was plenty of feeling in the game as the Year 12 boys wanted revenge for the 2017 Grand Final loss. With inclusion of Riley Mihailovic and Andrew Courtney, we were able to get the jump on the home side and held a four goal lead at quarter time. The game remained an arm wrestle throughout. We were challenged in the last quarter as St Bernard's kicked towards goal with a strong wind. To our backline's credit, when the final siren rang we had a 12 point lead. We defeated St Bernard's on their home ground for the first time in 10 years. Again, the victory was not without a few casualties with star TAC Cup players Caleb "Big Paws" Millar and Jackson Cowden injured with a broken collarbone and dislocated knee respectively.

Round 3 and 4 did not go to plan as our injury list increased. We were unable to beat the likes of Mazenod College (one point) and St Joseph's College Geelong (seven points). It made the rest of our season a large challenge. This meant the game against 1st placed Parade was going to be huge.

In a physical affair, the game was extremely tight and at half time we found ourselves trailing by two goals. Thanks to the recently elevated Second XVIII's Ruckman Cale "no hardballs" Love-Linay taking mark of the year and kicking two crucial goals, we were able to come from behind to win the game by 20 points and reignite our year.

The team continued our winning ways against De LaSalle in Round 6 with stand-out performers being Jackson "my uncle is Michael" Voss and Dawit "D-Money" McNeish. Although we won by 55 points, Mr Radford was visibly disappointed, as a last minute goal to back pocket Cooper Ryan meant he lost a bet and Cooper didn't have to cut his hair for the remainder of the term.

In the last game of the season, St Bede's travelled to Whitefriars

Year 7 Division 1

Year 7 Division 2

Year 8 Division 2

Year 8 Division 1 Premiers

College who we knew were a strong side with many TAC Cup players. However, we backed our skill and chemistry as a team and were prepared to give it everything we had to earn ourselves a finals birth. The home side had the jumpstart on us, kicking six unanswered goals, with five coming from one Whitefriars player, in the first quarter. We remained on the back foot all day and were 53 points behind when the final siren rang, which ended our season.

It was a rollercoaster season with a couple of great wins and some forgettable loses. However, there were many great memories made and more importantly some great friendships created which ultimately is what school footy is all about – having fun with mates.

I would like to thank Mr Radford and Mr Lalor for all their efforts throughout the season, as well as assistant coach Mr “I won two Best and Fairests” Gorman (St Bede’s First XVIII legend). Also to the leadership team Dawit McNeish, Connor Murphy and Oscar McMaster.

**JAMES HICKEY**

*2018 1st XVIII Captain*

Year 9 Division 1 Premiers

Year 10 Division 1

2nd XVIII Premiers

**St Bede's College 2nd XVIII finished 2018 undefeated, winning their first Premiership since 2012.**

Led brilliantly by Brody Stainer and Gerard Kelly, the team proved to be an admirable opponent against all teams that it faced.

The season started at Harry Trott Oval with a resounding 100 point victory against CBC St. Kilda.

This helped form a strong belief in the team that they had the talent required to win more games. The team valued 'one percenters' that were required to ensure success. Tackling pressure was the hallmark that afforded the team every chance to retain the ball and push forward on a consistent basis.

After wins against St Bernard's, Mazenod, Parade and Emmanuel Colleges, the first major challenger was Whitefriars. But a tireless team effort ensured that St Bede's

were able to record a five point victory.

The finals started with a big confidence boosting 65 point victory against Emmanuel College.

Trevor Barker Oval was the location for our Grand Final against Parade College. After kicking the first 3 goals of the game, a tightly fought contest ensued. Leading by eight points at half time, the second half saw both teams trade goals. In the final quarter, the team was able to hold on to win after some exceptional defending.

James Hardeman was awarded the Best and Fairest player for his exceptional and consistent output throughout the year.

Congratulations to all boys on their premiership year.

**SHANE HEATLEY AND MICHAEL KELLIHER**  
2018 2nd XVIII Co-Coaches

## The golf events for 2018 comprised the ACC Senior Open, the Year Level Championships and the ACC Junior Open.

This year's ACC Senior Golf Open was held at Northern Golf Club in cool autumn conditions. Matthew Dunne was our best performer of the day with a superbly compiled 76. Zac Rattray also played well to shoot 82. Despite the rest of the team playing some excellent golf in patches we lacked the overall consistency to take the trophy. The team ended up placing third well back of De La Salle.

The Year Level Championships were again contested at Rosedale Golf Club. 28 golfers participated across Years 7 to 11. Below is a list of the winners and runner-up in each Year Level.

	Winner	Runner-up
Year 7	Andreas Stefanakis	Maxwell Oldham
Year 8	Joseph McMahon	Xavier Hewitson
Year 9	Lucas Jackson	Seve Stefanakis
Year 10	Matthew Dunne	Will Peake
Year 11	Joel Harrod	

The final event of the year was the Junior ACC Golf Championship. Unfortunately, the team did not perform to their own high expectations and only managed to place fourth. Matt Dunne was again the low scorer with 78 and Andreas Stefanakis showed promise with a well-compiled 93.

I would encourage all the junior students to participate in the golf activities at the College to ensure St.Bede's College remains a golfing power in the years to come.

**PAUL LAST**  
ACC Golf Coach

# HOCKEY HOCKEY

Year 7 Team

The St Bede's Hockey team had big shoes to fill this year with a high turnover from the previous year's team and many first time hockey players. Despite this, the team began the season with great optimism. Our goal was to be

competitive in every game. This proved a great attitude. It resulted in some amazing wins throughout the season. There were amazing feats, endurance and the team's perseverance could not be faulted. A stand out memory of

the season were the bus rides, good laughs and friendships made. Overall, it was a good season for the boys and the coaches did an outstanding job.

**CLAUDIO BARROCAS**

Year 8 Premiership Team

# HOCKEY HOCKEY

Year 9 Team

Year 10 Team

Senior Hockey Team

Senior soccer team

**It has been a successful year for the senior squad, reaching the Semi Finals of the competition despite strong competition and injuries affecting the team.**

Round 1 saw us narrowly lose 3-2 away at Mazenod, who eventually came away with the Premiership. After going 2-0 up by half time, two quick Mazenod goals levelled the tie and the knockout punch came for the Beda Boys soon after. A tough start to the season.

In Round 2, we easily beat Emmanuel away 5-2. In Round 3, for our first home game (played at Bentleigh Greens FC), we hosted St Bernard's who gave us a good game and our only draw of the season with the game finishing 2-2.

Round 4 saw our biggest scoring victory with St Bede's defeating Salesian 9-0. At this point, halfway through the season, we had 2 wins,

1 draw and 1 defeat with 3 games to go.

Round 5 gave us our toughest test yet, playing the undefeated St Joseph's Geelong. We were missing key players Matt Dickinson, who had been injured playing for his club side, and Jordan Liaskos, who left the school to pursue an apprenticeship. St Bede's were the victims of a good passing side and one very strong and pacey winger from St Joey's who scored all three of their goals to make the final score 0-3.

With a fight on our hands for a finals spot, the boys picked themselves up and showed excellent team spirit. In Round 6, we defeated a strong Parade side 5-2, followed by a resounding 6-0 away win at Whitefriars to secure our place in the Finals by a goal difference of +2. In the Semi Final, we played St Joseph's in Geelong. In a dramatic game on a very poor

pitch, the boys made an excellent start with Ed McGarry heading in from a superb Johnathan Lionakis cross. St Joseph's later equalised to make it 1-1. However, in the 35th minute, the game changed. St Bede's captain Eli Strangos was sent off controversially after a heated exchange with several St Joseph's players. The boys battled on with 10 men throughout the rest of the game but were unable to create many chances. In the 88th minute, St Joey's ended our season with a goal from a corner kick.

Overall, it was a highly enjoyable season. The boys should be very proud of making it as far as they did and approaching each game and opponent with positivity and respect.

I would also like to thank Luke Borella for his energy and enthusiasm in co-coaching the side with me.

**PAUL MORRISON**

# SWIMMING

## House Swimming

The first two weeks of Term 3 saw the four Houses battle it out for the House Swimming title. There was fantastic racing in both the Championship and non-Championship events. The boys should be commended for their positive attitude to getting involved. Not only were they competing for House points but also to become year level champions. Congratulations to those boys who were crowned champions and runners-up. This year the overall Championship went to Solomon House who were consistent across all year levels.

<b>Solomon</b>	1009	369	1378	<b>1st</b>
<b>Benilde</b>	936	436	1372	<b>2nd</b>
<b>LaSalle</b>	975	379	1354	<b>3rd</b>
<b>McCristal</b>	672	386	1058	<b>4th</b>

Individual	Champion	Runner Up
<b>Yr7</b>	Charlie Wilce	Joshua Mathews
<b>Yr8</b>	Henry Owen	Sean Grella
<b>Yr9</b>	Max Cronin	Nick Harris
<b>Yr10</b>	Riley Roberts	Alec Hende
<b>Yr11</b>	Lane Chetverikov	Mitch Tsiros
<b>Yr12</b>	Alex Windhager	Max Vaughan

## ACC Swim Team 2018

The ACC Swimming Championship always comes around very quickly at the start of the year but this did not stop the team spending many hours in the pool preparing for the big night. This year, we were lucky to have Rohan Taylor (Victorian Swimming Head Coach & Australian Commonwealth Games Coach) and Nick Owen (Victorian Institute of Sport sports physiologist) work with the team for a couple of hours on starts, relay changes and race preparation. This experience was invaluable for the boys and certainly had a very positive effect on their racing.

There was plenty of competition for places on the team this year, especially in the junior age groups. We arrived at the pool ready to race and the boys certainly represented the college with pride. The majority of the team swam personal best times with several making massive improvements. It was our relay teams that shone on the night with most teams placing in the top three, and our under 15 team excelled winning both relays. Our stand-out swimmer on the night was Max Cronin from the under 15 team who won all three of his individual events. At the end of the carnival, the team finished with eight 1st, 10 2nd and six 3rd places and our under 15 team won their age group.

Overall, St Bede's finished in 3rd place. An outstanding result, considering the resources we have available.

Thanks must go to Sam Kelleher and Georgie Worland who assisted with the preparation and management of the team.

### CRAIG RADLEY

# TABLE TENNIS

Year 9

Senior Table Tennis Team

The ACC senior table tennis team had an outstanding undefeated regular season. Not only did the team beat every school they played throughout the regular season but they demonstrated a strong sense of comradery and spirit. A mix of 15 senior students rotated through the team. The dependable Matt Gatti, Matt Reiter, Darcy Henschke, Marcus Aparo and the inspirational Captain Trent Alphonso helped steer the team to the Semi Final where the boys convincingly beat Parade. Unfortunately, the winning streak ended in the Grand Final. Our singles stayed strong and only lost by 2 matches but it was a lead the doubles could not recoup. The Year 11 contingent, including Jackson Pasara, Luke Banks-Smith and Chester Ryan, should hold the team in good stead for 2019. It was an honour to watch the boys give their best each week. They should be very proud of their undefeated regular season.

# TENNIS

Senior Tennis Team

**Congratulations to the Senior Tennis team members for representing St Bede's with great sportsmanship and pride. It was a tough season with good wins and close losses. We ended up coming 5th in the ACC Competition.**

## Results:

**Round 1:** St Bede's College defeated by St Joseph's College 8 sets to 4

**Round 2:** St Bede's College defeated by Parade 10 sets to 2

**Round 3:** St Bede's College defeated Emmanuel College 12 sets to 0

**Round 4:** St Bede's College defeated by Whitefriars 9 sets to 3

**Round 5:** St Bede's College defeated by St Bernard's College 9 sets to 3

**Round 6:** St Bede's College defeated Salesian College 7 sets to 5

Thank you to all the players to their contribution to the St Bede's College Tennis Team. A special mention to Jack Langdon, who was a sensational Team Captain.

Year 7 Team

Year 8 Team

Year 9 Team

Year 10 Team

Year 10 Volleyball team

Year 7A Team

Year 8 Team

Senior Volleyball Team

Year 9 Team

**The Senior Volleyball season started strongly with a straight sets win over Salesian College. With Round 1 taking place during the final weeks of Term 4, 2017, the team consisted of a large number of Year 10 students who had wrapped up their own season the previous week. These students, playing alongside their Senior peers for the first time, quickly bought into the enthusiasm and on court direction shown by Jordan Liaskos.**

Jordan led the team on and off the court, often having to come in after VCAL commitments on game days. The team headed into Round 5 undefeated and with the draw meaning they wouldn't have to play Volleyball Juggernaut Mazenod College unless they were to meet in a Grand Final. Spirits were high.

A shock loss to Parade College on the road meant the boys would finish second in their pool and face first seed

St Bernard's College in the Semi Final. Unfortunately, the team were defeated, three sets to one, despite getting within a couple of points of pushing St Bernard's to a 5th and deciding set.

Whilst Jordan and Adam Forbes capped off their Volleyball journey with strong showings throughout the year, the future looks bright for the 2019 season. Will Dingeldei led the Year 10 team to the Finals and was consistently amongst the best players each week. Alongside him, Miles Bergman and Kyle York proved formidable in attack all season. Zac Watson, after missing all of regular season through injury and playing only a handful of games in the Senior B team, stepped up to play in the A team for the first time in the Semi Final and held his own. With this core group supported by the next wave of players coming through, here's to hoping they can go one step further in the new year.

**JAMES MEADE**  
*Volleyball Senior Coach*

# HACKETT MILE & FROM THE BENCH

Junior Hackett Mile event

Senior Hackett Mile event

## FROM THE BENCH 2018

**St Bede's is a great place to be if you are a young man who enjoys participating in sport. Apart from a fantastic Physical Education curriculum, the students have the opportunity to participate in Athletics, Swimming and Cross Country House Carnivals as well as interschool sport as part of the Associated Catholic Colleges (ACC) Competition.**

The ACC is the largest association of Catholic boys' schools in Victoria comprising almost 14,000 boys from twelve schools spread throughout Melbourne – CBC St Kilda, De La Salle College Malvern, Emmanuel College Altona North, Mazenod College Mulgrave, Parade College Bundoora, Salesian College Chadstone, Simonds College West Melbourne, St Bede's, St Bernard's Essendon, St Joseph's Ferntree Gully, St Joseph's Geelong and Whitefriars College in Donvale. Our Year 9 and 10 students compete in a weekly Tuesday afternoon competition, our Senior boys on a Wednesday and our Year 7 and 8 students play each Thursday.

The ACC offers a wide range of sports such as Australian Rules Football, Basketball, Cricket, Hockey, Soccer, Table Tennis, Tennis, Volleyball, Athletics, Cross Country, Swimming, Chess, Golf, Badminton, Lawn Bowls and Triathlon. Over the course of the

year St Bede's enters over 60 teams in the ACC competition. To be able to do that, we need teachers to coach each of these teams. We are extremely lucky here at St Bede's that we have staff who are willing to give up their time each term to coach our teams. They take training sessions, selection trials, team meetings and of course they coach each match day – often not getting back to school until after 6pm. Our interschool sports program would not exist without their willingness to be involved.

Of course, I say thanks to all of the students who have represented St Bede's so well over the year! They have upheld the motto of the ACC – "Excellence, Honour and Fairness in Student Activities" and always tried their hardest. A special congratulation to the teams that were ACC Champions or Premiers throughout the year. At the time of writing, the following teams had finished first in their division:

**Senior 2nd XI Cricket**

**Senior 2nd XVIII Football**

**Year 9 Football**

**Year 8A Football**

**Year 9A and 9B Basketball**

**Year 8A Basketball**

**Year 8 Hockey**

**The Triathlon Squad were ACC Champions**

**ACC Swimming squad were 3rd**

**ACC Athletics squad were 2nd**

**ACC Cross Country were Champions!**

In House Sport, Benilde won the Athletics and Solomon won the Swimming and the Cross Country Carnivals.

For only the second time since 1976, we had a tie for the Beda Shield for the Champion House – Benilde and Solomon shared top spot. It was great to see Solomon back in the winner's circle after not winning the Beda Shield since 2005.

The Hackett Mile is our Premier Athletics event. It is run over 1500m and is part of our House Athletics Carnival. This year, the winners were:

<b>Year 7</b>	Tarkyn O'Leary
<b>Year 8</b>	Alex Gibson
<b>Year 9</b>	Jake Lynch
<b>Year 10</b>	Joshua Miller
<b>Year 11</b>	Blake O'Leary
<b>Year 12</b>	Damon Schultz

It is important to recognise those athletes who have excelled during the year, but really, the main focus is on participation in our sports program. We encourage boys to get out there and have a go!

So boys, if you are reading this and you didn't try out for any teams this year, think about getting involved next year. You'll love the experience!

College Hall for the SBOCA Annual Dinner – Roll of Honour

**It has been another very successful year for the St Bede's Old Collegian's Association (SBOCA). The committee and volunteers have put so much time and effort into serving the College community. Personally, it was an honour to be re-elected as President and I sincerely thank our two new Vice Presidents, Tony Quint and Darragh Tate, for accepting their important positions. I have no doubt they will both serve SBOCA well, as I endeavour to do myself.**

Thank you to the many people who contributed their time, expertise, and energy informally, and more formally as Committee Members throughout the year.

This year, we have delivered a number of exciting programs and are developing several new initiatives focused on the younger graduates and alternative fundraising opportunities. We certainly lived up to our motto of celebrating the past, enjoying the present, and shaping the future by hosting our Annual Dinner and Roll of Honour in May. At this event, we celebrated both the 80th anniversary, and the outstanding contributions that the Roll of Honour inductees made to that history.

The Dinner was attended by the Principal Mr John Finn, members of the College Leadership Team, current and former teachers and staff, current St Bede's Captains and a strong contingent of past graduates. Of note, two distinguished Old Collegians, State Labor Member for Bentleigh Nick Staikos MP and his brother Mayor of Kingston City Council Steve Staikos, attended.

As part of the 80th Celebrations we also welcomed three guests whose relatives were members of the founding class of St Bede's College in 1938, including Simon Quinn, whose father's cousin Frank Quinn was the

first student to enrol in the College, and Drew and Simon Libbis, whose father Bill started in St Bede's in 1938 in Grade 5. A celebration of history indeed.

The Role of Honour induction was the highlight of the evening during which the work and efforts of the inductees, namely Br Josephus Garrity, Paul Diggerson, Tricia McCormack, Chris Comas, Paul Swannie and Br Michael McCabe were recognised and celebrated in a moving series of tributes. I know from personal discussions that the evening was thoroughly enjoyed by all who attended, and all proceeds from the event were channelled to the Finnian Foundation.

In addition to the six Anniversary Reunions, we have also continued the Young Collegians University Coffee Catch Up events at Deakin University, Monash University and RMIT City Campus. Feedback confirms these gatherings allowed newer graduates to maintain contact with past students and the Association as they progress their education and prepare for their careers, and the events continue to gain momentum each year.

Briefly, other initiatives include -

(i) Delivery of the popular Careers Night presentations to latter year St Bede's students in March at which 65 Old Collegians present to over 620 St Bede's students and families, an event that was rated as a terrific success by the students and affords a unique opportunity for Old Collegians to contribute to the life of St Bede's;

(ii) Focused development of the Beda Boy Graduate Database, including launching the Old Collegians App and updating the Old Collegians website to facilitate and enhance regular contact with as many Old Collegians as possible;

(iii) A renewed focus on developing alternative fundraising opportunities, including launching The St Bede's Community Online Business Directory

to facilitate connections between families of current and past students and members of the local community; (iv) Initiatives under development to engage younger graduates with the Old Collegians events to strengthen the Association. These include planning an International Outreach Program for graduates modelled on the successful two-week Thailand Mission Outreach Program offered by St Bede's to senior students;

(v) A relaunch of the McCristal Club as the Beda Boys Brotherhood. This initiative was driven by former President Steve Ager with the objective of providing non-monetary support to Old Collegians who require some form of assistance to cope with their current situation.

Finally, the Annual Finian Foundation Fundraising Breakfast and Golf Day were held at Woodlands Golf Club in October. These popular and important community events raise funds for the Finian Foundation, that can be then used to provide financial support to families of students in their final years at St Bede's who have encountered unforeseen hardship.

These activities represent only a snapshot of the overall work and efforts of all the volunteers who tirelessly 'give-back' to the College and its community through Old Collegians. I am very proud to be in a position to report the Association's achievements and successes.

Thank you to the Principal, Mr John Finn, College Board, College Leadership Team and the staff for all their ongoing support, and our Executive Officer Jo Hynes for her boundless energy, enthusiasm, and organisational skills. I look forward to working with many of you as we continue to build the Old Collegians network in service of the St Bede's community in the Lasallian tradition."

**DR JASON SMYTHE**

#### **Mission Statement**

St Bede's College is a Catholic boys' school guided by the Lasallian tradition of faith, service and community.

Relationships are central to our learning experience and help us to connect with others. We live an inclusive culture where one's personal best is encouraged, embraced and celebrated.

We are globally aware and contribute positively to the world around us.

#### **Vision Statement**

St Bede's College aspires to educate boys in living "by right paths" to become confident Christian men.

Through a commitment to a life of learning and justice we aim to develop resilient leaders who approach the future with zeal.
