

St Bede's College

12 May 2020

Dear Parents and Guardians

As you would be aware, the Premier announced today the arrangements for a return to school for students and staff as follows:

25 May	Staff Day (Student Free Day)
26 May	VCE Students and VCAL students return
9 June	Students in Years 7-10 return

The College will continue to offer onsite supervision to students who cannot learn remotely, until their year level returns onsite. Once a year level has returned, all students will be expected to attend school as normal.

The College will work through the structures, protocols and processes required for the staggered return of student groups. These measures will focus clearly on the health and wellbeing of students and staff, including the implementation of social distancing measures as required and thorough sanitation. There will be physical changes to our campus in order to ensure such safety.

The intention is to have these measures known, advertised and in place as soon as possible. All students, staff and families will be aware of these arrangements well before the first set of students return.

We do look forward to taking these steps for us to re-gather as a Community.

My next communication will be on Friday 15 May.

I hope that you and the family remain well.

Per Vias Rectas

Yours sincerely

Mr John Finn
