

St Bede's College

17 June 2020

DEPUTY PRINCIPAL Learning & Teaching

Thank you for your interest in this position.

St Bede's College is a large all boys secondary school located in the south-eastern suburbs of Melbourne. For over 80 years it has faithfully served the needs of Catholic families and their sons through an authentic Catholic education supported by our Lasallian ethos.

We are fortunate to have St John Baptist de la Salle as our Founder, a person who saw the need to educate young people within the context of the time that they were living. St John was proclaimed the patron saint of all teachers around the world for his contribution to both pedagogy and his work in offering a human and Christian education.

This remains the case today with St Bede's College, as we continue to provide a human and Christian education for young men within the context of the times of which we live now.

The College is entering an exciting time in its history, as we establish a second campus in Bentleigh East from 2021 and work towards being internationally accredited by the Council of International Schools (CIS).

This role of Deputy Principal – Learning & Teaching is a significant senior position within the College. We are encouraging faith-filled, dynamic and collegial educators who wish to make a further contribution to Catholic education within a strong and vibrant community.

Should you consider yourself having an interest in this position, then I would encourage you to read all the relevant information and make an application.

Yours sincerely
