[V] Any expense that attracts a Medicare rebate (including the gap) cannot be claimed under this Policy.
[VV] Private health insurance should be claimed prior to submitting a claim.

The Policy provides cover for certain Non-Medicare Medical expenses. We cannot pay expenses (including the gap) that attract a Medicare rebate.

Examples of expenses we typically cover include:

- Private hospital accommodation^
- Physiotherapy, Chiropractic and Osteopath treatment^
- General dental^
- Pharmaceuticals (non PBS)^
- Ambulance^

^ All claimable expenses should first be submitted through your Private health insurance. Chubb may pay the outstanding difference after your rebate subject to the terms and conditions of the Policy.

Please be advised that the Policy does not cover medical expenses that attract a partial or full Medicare rebate. This includes the "Medicare Gap" and any invoice items listed under the Medicare Benefits Scheme.

Examples of expenses we typically cannot pay include:

- Hospital surgery
- X-rays and Ultra sounds
- Doctors fees, Specialist consultations and Anaesthetists

Australian Federal Legislation prohibits any general insurers such as Chubb Insurance from paying expenses for which a Medicare Benefit is payable. We cannot comment on the Government intentions of the law surrounding this area of insurance.

CLAIMS PROCEDURE

To ensure that your claim is dealt with as quickly as possible, it is important to follow a few simple steps:

1. Report the accident as soon as possible to school administration.
2. Pay all medical and other accounts as the insurer will not pay those on your behalf.
3. Make your Medicare claim.

   Student Accident Insurance includes coverage for non-Medicare medical expenses (when the accident happened during school or organised sporting activities). Any portion of any expense for which a Medicare benefit is paid or payable, including the balance of monies you have to bear after deduction of any Medicare benefit or rebate from the actual expense incurred (commonly known as the 'Medicare gap'), is unable to be reimbursed under this or any other general insurance. It is in fact a breach of the Health Insurance Act to reimburse such costs.

   All claimable non-Medicare medical expenses need to be for treatment, certified necessary by a legally qualified medical practitioner, to a registered private hospital, physiotherapist, chiropractor, osteopath, nurse or similar provider of medical services excluding the cost of dental treatment unless such treatment is necessarily incurred to sound and natural teeth, excluding dentures, and is caused by the accident.
4. Make Private Health insurance claims, as the insurer's obligation is only for any portion not covered by Private Health.
5. Complete this School student accident claim form (note that there is a section to be completed by the school).
6. Ask the attending doctor to complete the Medical practitioner's statement.
7. Send all completed documents and any accounts and receipts in support of out of pocket expenses claimed direct to Chubb.
